Building Permit Application

Instructions / checklist for applying for a Building Permit
(please read first)

1. Have you filled in all information completely and legibly?
2. A copy of your survey? Project drawn to scale?
3. Have you included a complete description of your project? (If you have drawings, please make sure they are to scale or at least have enough detail and measurements that we can verify that the various code requirements are met. A list of materials should be included. If exterior work is proposed, exterior elevation drawings may be required. Plans and specifications should bear the signature of the person responsible for the designs and drawings. If prepared by an architect or an engineer, we will need the name, address and phone number of that person.
4. Have you signed and dated the application? You must be the owner of the property or authorized to act on behalf of the owner. The owner is the person who is legally responsible to obtain the building permit and comply with code requirements, even if someone else is hired to do the work.
5. Have you signed and dated all disclaimers associated with the project (roof and/or fence)?
6. Have you checked to see if other approvals are required for this project?
7. Have you signed and dated the "Required Inspections" form?
8. Has National Grid been contacted by applicant for sign off for pool projects – is copy of sign off letter from National Grid included?
9. If there is plumbing work to be done, has a plumbing permit been obtain by a City of Batavia Licensed Master Plumber? We have a list if you need it.

NOTE: PROJECT CANNOT BE STARTED UNTIL BUILDING PERMIT HAD BEEN ISSUED AND FEE PAID. FEE COULD BE DOUBLED IF PROJECT STARTED.

If you can answer "yes" to all of the above questions, you have completed the building permit application, if not; we may not be able to issue the permit without more information. If you have any question about what requirements apply or what information we need, please contact us at the above number.

Roofing Disclaimer - Per the Residential & Building Code of New York State

R907.3 Recovering versus Replacement

New roof coverings shall not be installed without first removing existing roof coverings where any of the following conditions occur:

1. Where the existing roof or roof coverings is water-soaked or has deteriorated to the point that the existing roof or roof covering is not adequate as a base for additional roofing.
2. Where the existing roof covering is wood shake, slate, clay, cement or asbestos-cement tile.
3. Where the existing roof has two or more applications of any type of roof covering.

Exceptions:

1. Complete and separate roofing systems, such as standing-seam metal roof systems, that are designed to transmit the roof loads directly to the building's structural system and that do not rely on existing roofs and roof coverings for support shall not require the removal of existing roof coverings.
2. Metal panel, metal shingle, and concrete and clay tile roof coverings shall be permitted to be installed over existing wood shake roofs when applied in accordance with Section R907.4.

I, _____ owner and/or agency of the property located at _____ for Building Permit No. _____ have reviewed and understand the requirements of Section 907.3 Recovering versus Replacement.

Fence Disclaimer

I understand Section 190-33.B Fences, Walls and Hedges of the City of Batavia Zoning Ordinance regulated the installation of fences as follows:

"Fences, hedges and walls in Residential Districts shall not exceed three (3) feet above ground level when located within fifteen (15) feet of the property line abutting any street and shall not exceed six (6) feet above ground level when located elsewhere on the property. However, there shall be no height limit for hedges in rear yards within residential zones. In commercial and Industrial Districts, fences, hedges, and walls shall not exceed eight (8) feet in height unless permitted by a special use permit from the Planning & Development Committee. A fence designed to be structurally supported by posts, cross members or rails on one (1) side only shall be erected with the posts, cross members or rails on the fence owner's side, and the finished side of the fence shall face adjacent properties."

I, _____ owner and/or agent of the property located at _____ for Permit No. _____ understand that this permit is issued based on information supplied by owner/agent and that the City of Batavia accepts no responsibility for inaccurate documentation or information supplied to secure the permit.
