III. Public Hearings:

A. 7 Evans Street — **New roof in kind.** There was no one present for the meeting. Mr. Panek stated that the roof had already been done. He had stopped work on the property for working without a permit but the company already had the roof torn off. Mr. Panek stated that he let them continue with their work because he did not want to leave the roof open and have it cause damage to the property. Ms. Burkel asked if the same architectural shingles that they currently had on the rest of the property had been used. Mr. Panek stated that they had; everything was in kind. Based on the current information Mr. Schulte stated that they could issue a certificate of appropriateness.

Motion by: Sharon Burkel

Motion was made to approve the roof project proposal for 7 Evans Street as presented.

Seconded by: Henry Emmans

B. 101 Washington Avenue — **Replacement of beam.** Bill Fox was present to explain the project. Mr. Fox stated that the beam has been replaced because it was rotten. To take the beam down and replace it there was some gingerbread and brackets that were removed. Mr. Fox stated that all of these would be put back. Mr. Fox would also need to replace some of the ceiling because it is rotten. Ms. Burkel asked what type of material was the ceiling made of. Mr. Fox stated that it was tongue and groove. He said that he was going to replace the tongue and groove with plywood. Mr. Fox stated that he was going to cut the plywood in 3" strips and after it is painted no one will be able to see the difference. Ms. Burkel asked if any of the board members would have any issues with that. Mr. Barnes stated as long as no one can tell he was fine with it.

Motion by: Larry Barnes
