RECONSTRUCTION OF NY ROUTE 5 – MAIN STREET
CITY AND TOWN OF BATAVIA – PIN 4034.52

NOTICE TO BUSINESS OWNERS & RESIDENTS

WATER SHUTDOWN

E. Main Street

N. Spruce to Trumbull – both sides of Main St.

S. Spruce Street

Jerome Place

Prune Street

Morse Place

As part of the Main Street Reconstruction Project, it will be necessary to **temporarily shut down your water service** on **Monday, October 18th**. Barring unforeseen circumstances, this shutdown is scheduled to occur between the hours of **7:30 AM** and **10:30 AM**.

Prior to this shut down, please store a sufficient quantity of water for your drinking, cooking, cleaning and sanitary needs. After shutdown, you may experience some air or discoloration in your water, please flush your cold water faucets for two to five minutes.

We apologize for the inconvenience. You have our assurance that Catco (prime contractor) will make every effort to expedite this work, thus limiting the duration of the shut down. In the event of questions or special concerns, feel free to contact Scott Nelson at the City of Batavia Field Office at 344-2563. Thank you.
