

PLANNING & DEVELOPMENT COMMITTEE

Tuesday, June 16, 2015

6:00 pm

Council Board Room

One Batavia City Centre, Batavia NY

AGENDA

- I. Roll Call
- II. Call to Order
- III. Approval of Minutes – 5/19/15
- IV. Proposals

Address: 23 Seneca Avenue

Applicant: George Mirrione (owner)

Proposal 1: Widen an existing 11.41' wide asphalt driveway to 23.31' by placing a 12' wide stone addition to the north side of the existing driveway

Actions: 1. Review application
2. Discussion and recommendation to the ZBA

Address: 17 Maple Street

Applicant: Timothy L. Corcoran (owner)

Proposal 2: Widen an existing 10' wide stone driveway by placing 13' of stone to the east side of the existing driveway

Actions: 1. Review application
2. Discussion and recommendation to the ZBA

Address: 427 West Main Street (aka 4152 West Main Street)

Applicant: Michael Houseknecht (owner)

Proposal 3: Special Sign Permit -- Placement of a 6' x 20' interior lit wall sign on the east elevation of this commercial building in addition to an already approved 6' x 6' interior lit wall sign being placed on the north elevation

Actions: 1. Review application
2. Discussion and action by the board

Address: 176 Washington Avenue

Applicant: Andrew Hillburger, MD (occupant)

Proposal 4: Placement of a 3.5' x 1.7 sq.' free standing sign in the north yard of this medical office building property located within the BID

Actions: 1. Review application
2. Discussion and action by the board

Address: 6 Ellicott Avenue
Applicant: Joseph Gerace (owner)

- Proposal 5: Special Sign Permit -- Placement of a 4' x 6' interior lit wall sign on the south elevation of this commercial office use building. This new sign face will replace an existing sign face of the same size, in the same location and is reflective of the new business branding. The proposed sign is in addition to an already approved wall sign being placed on the west elevation (street frontage)
- Actions: 1. Review application
2. Discussion and action by the board

Address: 119 Washington Avenue
Applicant: Adam Lowder (sign contractor)

- Proposal 6: Special Sign Permits – Placement of three window signs on the south elevation of this business office use building located within a residential use district. A Special Sign Permit was approved by the PDC on 3/3/15 to place a 24 sq.' wall sign on the south elevation of this building
- Actions: 1. Review application
2. Discussion and action by the board

Address: 73 Union Street
Applicant: John Borrelli (agent for Notre Dame School)

- Proposal 7: Placement of a 9' wide x 8' tall free standing masonry sign structure with a 2.5' x 5.75' Notre Dame High School sign and 2.75' x 5.75' changeable text digital reader board type sign in the northeast yard of this school located in the R-1A residential use district
- Actions: 1. Review application
2. Discussion and action by the board

Address: 335 Bank Street
Applicant: David Renzo (property manager)

- Proposal 8: Placement of a 4' x 6' unlit freestanding sign in the south yard of this multiple dwelling apartment complex located in the R-1 residential use district. This sign was previously approved by the PDC on September 18, 2012, with no conditions, but was never installed. The Special Sign Permit expired on 9/16/13
- Actions: 1. Review application
2. Discussion and action by the board

Address: 311-313 West Main Street (rear building)
Applicant: Tony Mattiaccio (President/CEO of Monroe County Automotive Services Inc., prospective occupant)

- Proposal 9: Special Use Permit – change use of rear building on this parcel to establish the use of auto detailing, protection and accessories that include washing, waxing and shampoo, undercoating, sprayed on bed-lining,

remote car starters, window tinting, vehicle graphics and films, truck accessories, such as tube steps and tonneau covers. This use by definition [BMC 190-3] is classified as a “Public Garage”-A building or part thereof used for the storage, hiring, selling, greasing, washing, servicing, or repair of motor vehicles, operated for gain

- Actions:
1. Review application
 2. Public Hearing
 2. Discussion and recommendation to ZBA

Address: 165 Cedar Street (aka 4815 Ellicott St. Road) (**O-AT-KA Milk Products Coop. Inc.**)

Applicant: David Nutting (Chairman, VIP Structures-agent for owner)

Proposal 10: Site Plan Review – Construction of a 229,823 sq.’ (approx.) “Warehouse and Pallet & Labeling” addition to this existing industrial complex. The proposed addition will be constructed across the City/Town municipal boundaries and is subject to approvals from both municipalities. The majority of the “Warehouse” structure (188,048 sq.’ approx.) will be located within the Town of Batavia. The northern portion (6,495 sq.’ approx.) of the “Warehouse” and the entire “Pallet & Labeling” area (35,280 sq.’) will be located within the City of Batavia. The applicant is proposing to merge the multiple parcels in the project area to comply with the City’s zoning requirements

- Actions:
1. Review application
 2. Public Hearing
 3. Discussion and action by the board

V. Other/ New Business/Updates: **Comprehensive Plan Review**

VI. Setting of Next Meeting: July 21, 2015

VII. Adjournment

impression. According to Ms. Kemp, the letters will all be painted the same and there will be no lighting. She had brought an example with her to show the board.

2. Discussion and Action by the Board

Mr. Gray asked if the photo was representative of the signs and Ms. Kemp replied that they are similar. Mr. Preston noted that the Genesee County Planning Board recommended approval.

MOTION: Mr. Flynn moved to approve the application; the motion was seconded by Mr. McGinnis, and on roll call, was approved 5-0.

RESULT: Special Sign Permit approved.

- B. Placement of one offsite wall sign for the church located at 8 Batavia City Centre on the northeast elevation of this commercial property located at 6 Batavia City Centre located within the BID

Address: *6 Batavia City Centre*

Applicant: Jason Norton (agent for EFFC Church)

Actions: 1. Review application
2. Discussion and action by the board (Special Sign Permit)

1. Review Application

Mr. Preston read the summary of the proposal. He reported that the Genesee County Planning Board recommended approval.

Mr. Norton explained that being landlocked inside the mall is problematic. Since the mall is closed on Sunday, they have to man the main mall corridor door to make sure no one gets in.

2. Discussion and Action by the Board

Mr. Preston asked if the sign would be above the door they are currently using and Mr. Norton answered yes. Mr. Flynn asked if there is another sign next to it for the dentist's office, and Mr. Norton clarified that the sign is farther down the hall. Mr. Preston pointed out that generally a sign is hung at the back of the business it refers to, and he expressed concern about what would happen if the landlord decides to sell the parcel where the sign will be hung.

Mr. Flynn noted that if the board approves this sign it could set a precedent for other landlocked properties within the mall. Mr. Preston added that setting a precedent could lead others to try the same thing, and result in multiple signs hanging in the hallway.

Mr. McGinnis asked how the church advertises. Mr. Norton responded that they have a couple of yard signs. He pointed out that the dentist, Dr. Steve, had submitted a letter indicating that the sign is fine with him. Mr. McGinnis stated his disapproval.

Mr. McGinnis asked if not having the sign is a deterrent. Mr. Norton replied that having two yard signs indicating that the church holds services is insufficient for their need to inform the public of their location. He said that unless someone is in the mall they would not know where the church is.

Ms. Tableski asked if there was something that could be done differently, such as a hanging directory, which would allow for landlocked parcels to have signage. Mr. Norton replied that the mall has a directory but it is hard to see. He also indicated that the church would like to have their logo remain on the sign.

Mr. Preston asked if the Mall Committee has a procedure regarding signage. Mr. Norton answered that the procedure is to go through the Planning and Development Committee. He said that the church is good neighbors with Dr. Steve so the most important factor seemed to be obtaining permission from him.

Mr. Flynn asked if the sign over the door is not working. Mr. Norton said that it is hard to see the sign from the parking area unless you are directly in front of it. He added that considering the church has only been in this location for three months, people do not seem to know where it is because they have not seen the sign.

MOTION: Mr. Flynn moved to deny the application as submitted.

Mr. Flynn said that a different size is needed, or a location other than the wall of the adjoining parcel. Mr. Flynn added that it would set an unwanted precedent. Mr. Norton pointed out that even if the sign was smaller, there would be nowhere to put it. Mr. Preston said the sign could only be placed inside in front of the doorway.

Mr. McGinnis said that his concern is that allowing this sign would result in a proliferation of signs. Mr. Preston noted that a similar sign for an interior store in the Valu plaza was denied last year.

Mr. McGinnis commented that he would expect the congregation to know the location of the church and Mr. Norton responded that the sign is for the benefit of guests.

Mr. Gray stated that if the door where the sign would be going was the main door and under the church's control and they were the only entity that could put a sign there, it would be another matter. However, there are more parcels on the inside than what is being shown on the outside.

Mrs. Norton questioned why Dr. Steve's permission is not sufficient since he is the owner of the hallway. Mr. Gray responded that the permission is not exclusive because the church does not have legal control by lease or ownership.

The motion was seconded by Mr. McGinnis, and on roll call, was approved 3-2.

Votes in favor: 3 (Edward Flynn, Alfred McGinnis, Duane Preston)

Votes opposed: 2 (Matthew Gray, Rachael Tabelski)

RESULT: Special Sign Permit denied.

- C. Placement of three 2.25 sq.' vinyl stick window signs on the north elevation of this commercial building located in the BID

Address: *59 Main Street*

Applicant: Ken Mistler (owner)

Actions: 1. Review application
2. Discussion and action by the board

1. Review Application

Mr. Preston read the summary of the proposal. He reported that the Genesee County Planning Board recommended approval.

Mr. Mistler stated that he wants to put three decals in the windows, 16 x 30". Mr. Flynn asked if the signs were already in place and Mr. Mistler said yes, that he did not realize he needed a permit.

2. Discussion and Action by the Board

Mr. Flynn asked if there were two businesses, and Mr. Mistler said no. Mr. Flynn asked if there is a wall between the two areas and Mr. Mistler answered yes. Mr. Flynn asked if the grill could be cashed out if the restaurant is closed, and Mr. Mistler clarified that both sections must be open at the same time.

MOTION: Ms. Tabelski moved to approve the application; the motion was seconded by Mr. McGinnis, and on roll call, was approved 5-0.

RESULT: Special Sign Permit approved.

- D. Placement of a 16' x 3.66' externally lit wall sign on the west elevation of this commercial building located within the BID

Address: *13 Jackson Street*

Applicant: Anupa Hirani (owner)

Actions: 1. Review application
2. Discussion and action by the board

1. Review Application

Mr. Preston read the summary of the proposal. According to Ms. Hirani, they are not putting up a new sign, but just taking down the one that is already there and replacing the letters.

Discussion and Action by the Board

Mr. Flynn asked about the nature of the business and Ms. Hirani explained that one part of the building is used as a frozen yogurt shop and the other part will be a convenience store. Ms. Tabelski and Mr. Flynn asked about the graphics and colors. Ms. Hirani said that she designed the sign on the computer and the sign maker will try to create the design as best he can.

Mr. Gray asked if the lighting would be changed and Ms. Hirani answered no. Mr. Preston noted that the Genesee County Planning Board recommended approval.

MOTION: Ms. Tabelski moved to approve the sign; the motion was seconded by Mr. McGinnis, and on roll call, was approved 5-0.

RESULT: Special Sign Permit approved.

- E. Widen an existing 11.41' wide asphalt driveway to 23.41' by placing a 12' wide stone addition to the north side of the existing driveway

Address: *23 Seneca Avenue*

Applicant: George Mirrione (owner)

Actions: 1. Review application
2. Discussion and action by the board

Mr. Mirrione had notified the board that he would not be available. It was decided to bring the application back for the next meeting.

- F. Widen an existing 10' side stone driveway by placing 12' of stone to the east side of the existing driveway

Address: *17 Maple Street*

Applicant: Timothy Corcoran (owner)

Actions: 1. Review application
2. Discussion and action by the board

Mr. Corcoran was absent. It was decided to bring the application back for the next meeting.

- G. Widen an existing 15' wide asphalt driveway by placing an additional width of 4' of asphalt to the south side of the existing driveway

Address: *139 Jackson Street*

Applicant: JoAnn Fisher-Plath (owner)

- Actions:
1. Review application
 2. Discussion and action by the board

1. Review Application

Mr. Preston read the summary of the proposal. Ms. Fisher explained that when their three vehicles are parked behind one another, they hang over the sidewalk. She would like to widen the driveway so that two vehicles can park next to each other.

2. Discussion and Action by the Board

Mr. Gray asked where the property line is located in relation to the driveway. Ms. Fisher responded that left side of the driveway is on the property line. She said that expanding the driveway by 4' would bring it along the side of the house. Following a question from Mr. Flynn regarding the need for the variance, Mr. Randall clarified that the total width of the driveway will be 19', which will take up more than 25% of the total yard space, therefore requiring a variance.

Mr. Flynn asked if there was any way to extend the driveway into the rear yard, and Ms. Fisher replied that there is a carport to the rear of the driveway. Mr. Flynn asked if it is permanent and Ms. Fisher said yes.

Ms. Tabelski asked if there were measurements available for the current driveway and Mr. Randall referred her to the survey attached to the application. Mr. Randall pointed out that the carport shown as 12' on the survey can be used as a reference point though the survey itself does not indicate measurement of the driveway. He related that the applicant reported the driveway to be 15.1'.

Mr. McGinnis said that taking away more lawn might diminish the value of the property. Ms. Fisher said that she plans to keep the house in the family.

MOTION: Ms. Tabelski moved to recommend approval of the application as submitted to the Zoning Board of Appeals. The motion was seconded by Mr. McGinnis.

Mr. Flynn said that he supports approval because the driveway is not being expanded by a large amount and will still only take up 37% of the front yard space.

Mr. Gray expressed concern because he thought it looked as though the survey did not match the reported measurement of the driveway and that increasing the width would put the driveway over the property line. Ms. Fisher said the driveway will be extended toward the front of the house. Mr. Randall explained that from the property line to the edge of the house, it measures 15.38'. With the total width of the driveway at 19' following expansion, the remainder will project past the corner of the house.

On roll call, the motion was approved 5-0.

RESULT: Recommendation to the ZBA to approve the application.

- H. Placement of a new driveway that exceeds the maximum permitted width as part of the construction of a one story attached garage with breezeway on the west side of an existing one story dwelling. The new driveway will exceed the maximum permitted width by 6”

Address: 6 Douglas Street

Applicant: Ronald Jackett (owner)

- Actions: 1. Review application
2. Discussion and action by the board

Mr. Jackett was absent. It was decided to bring the application back for the next meeting.

- I. Amend the approved principal uses within Chapter 190 of the Batavia Municipal Code to eliminate boarding houses, rooming houses, tourist homes, and tourist camps or cabins from the R-2 Residential District [190-9 A (3)]

Applicant: The City of Batavia

- Actions: 1. Review application
2. Discussion and action by the board

1. Review Application

Mr. Preston read the summary of the proposal. City Manager Jason Molino addressed the board. He explained that approval of the change in code would mean that going forward, existent boarding houses and rooming houses, etc. would remain intact and continue in their present usage, and continue to go through the annual permit process; however, applications for new ones would be prohibited.

According to Mr. Molino, the proposal would allow for the amendment of a section of the R-2 district that will in turn have an impact on R-3, C-1, C-2, and C-3 because all of them state in their sections that a permitted principal use in R-2 is also allowed in R-3, C-1, C-2, and C-3. The amendment would prohibit new applications for boarding and rooming houses in those zones as well.

Currently, there are 10 establishments consisting of approximately 90 units that would remain in use and continue to be inspected annually and go through the permitting process each year. Two of the boarding houses are non-conforming uses. One is in an R-1 zone and the other is in an I zone. They would remain in use unless they sustain damage greater than

50% of the value of the property or are left vacant for one year, at which time the use would revert back to whatever zoning is appropriate for the applicable district.

Mr. Molino supported the change in code with several points. The change is consistent with the Comprehensive Plan that was adopted in 1997. Though this particular section of the code had not been included at the time, City Council had been engaged in down zoning in an attempt to preserve single family structures and minimize the growth of multi-unit structures.

Data contained in the Community Improvement Plan demonstrates that market sales of single family properties on streets with multi-dwelling units are lower, according to Mr. Molino. He said that there was a recommendation to minimize the effects of these situations and though it is a difficult process, offering incentives for a conversion program was even suggested. It is possible that the gap financing exemption addressing abandoned and vacant homes that City Council is recommending to the State Legislature could allow for the conversion of former multi-family units into single family structures.

Mr. Molino concluded that the change in code is being proposed because it is consistent with the Comprehensive Plan and the Community Improvement Plan. Both of these documents are used for land use as well as for decision making. There is also one small change to another section of code that concerns parking because there is some inconsistency with the parking provisions.

2. Discussion and Action by the Board

Ms. Tableski asked for clarification of the change in parking and Mr. Molino stated that the section of code specifies one parking space per roomer keeping a motor vehicle, which contradicts another section of code.

Mr. Flynn asked how many new rooming house permits had been issued in the past ten years and Mr. Randall responded that there have been two rooming house permits issued in the last six years, 16 Oak Street with 7 units, and 316 East Main Street with 11 units. Mr. Flynn said that another reason for changing the code is that the demand is not high, and with 90 units city-wide, the market is probably saturated.

Mr. McGinnis wanted to know which wards are predominately occupied by rooming houses. Mr. Molino referred to the Batavia Opportunity Area map and pointed out that the majority of these properties are located in the 3rd, 4th, and 5th wards, on the highly distressed census track or on the border of the highly distressed census track in lower income areas.

One of the issues raised in the Comprehensive Plan is the mismatch of zoning and uses that took place prior to the rezoning. Having rooming houses in the C-1, C-2, and C-3 districts contributes to the mismatching because those are predominately business areas.

Mr. Flynn asked if the City is the only community that still has rooming houses. Mr. Molino replied in the negative and related that his query to other managers in the state regarding rooming houses revealed that codes regarding rooming/boarding houses in many other places have been recently updated.

Mr. Preston asked how a rooming house is defined. Mr. Van Nest indicated the section of code containing the definition of a rooming house and read the definition aloud.

Mr. McGinnis asked if there was a state rule for the number of bathrooms and Mr. Randall answered that there must be one bathroom for every four rooms.

Mr. Flynn asked about the classification of non-conforming use in the event that City Council approves the code change. Mr. Molino explained that following approval, all rooming/boarding houses would be considered non-conforming uses. They would remain in use unless they become vacant for over a year or sustain damage greater than 50% of the property value, at which time the zoning would revert to whatever is applicable for the district.

3. Public Hearing

Mr. Preston opened the public hearing. Councilwoman Rose Mary Christian reported that City Council voted unanimously to bring the code change before the PDC. She stated that she is in favor of the code change because rooming houses and boarding houses diminish the value of neighboring properties.

There was no correspondence or calls and no others who wished to speak. Mr. Preston closed the public hearing.

MOTION: Mr. Flynn moved to recommend approval based on the fact that the code change is consistent with the Comprehensive Plan and the Community Improvement Plan, and that the market is saturated with rooming house units. The motion was seconded by Ms. Tabelski, and on roll call, was approved 5-0.

Result: Recommend approval of code change to City Council.

V. Other/New Business/Updates: Comprehensive Plan Update

Mr. Molino reported that at the last meeting, City Council passed a resolution to have the PDC begin the Comprehensive Plan update process, which essentially makes the board the Steering Committee for the process.

The next step will be to create an RFQ (Request For Qualifications) and have a draft ready for the committee to read by the next meeting. There will be a work session to review and

discuss the draft after the next meeting. If consensus can be reached, the RFQ can be issued. If consensus is not reached, it may be necessary to hold another meeting at the end of June.

Mr. Molino affirmed the importance of developing the RFQ because it will help the board identify the result they expect from the process and how to match a consultant's skillset to that expectation.

According to Mr. Molino, the target date for issuing the RFG is July 1. He said that he would expect to bring submissions to the board in August, interview consultants, and hopefully make a selection and recommendation in September.

Mr. Flynn asked about the length of time for the entire process. Mr. Molino said he would anticipate for it to take approximately 18 months.

Mr. Flynn asked about zoning changes and if they could get a list of variances that have been issued in the past two years so they could get an idea of use trends.

Ms. Tabelski asked about funding. Mr. Molino answered that part of the project will be grant funded and Council budgeted some additional funding as well.

Mr. Molino told the board that he wanted to have a discussion with them about what to include in the RFQ. He said that after the development phase of the Comprehensive Plan update comes the zoning recommendation or changes, which are drafted by a consulting firm. Mr. Molino said that if they chose, the board could make provisions for that process as well in the RFQ.

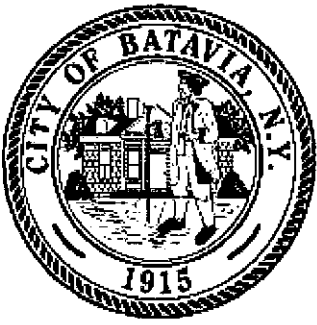

VI. Setting of Next Meeting: June 16, 2015

VII. Adjournment

Mr. Preston moved to adjourn at the meeting at 7:07 pm. Mr. Flynn seconded. All voted in favor.

Respectfully submitted,

Meg Chilano

Re: 6 Ellicott Ave.
Tax Parcel No. 84.010-3-24

Zoning Use District: C-2

The applicant, Joseph Gerace (owner), has applied for a Special Sign Permit to place a 4' x 6' interior lit wall sign on the south elevation of this commercial office use building. This new sign face is to replace an existing sign face of the same size, in the same location and is reflective of the new business branding. The proposed sign is in addition to an already approved wall sign being placed on the west elevation (street frontage).

Note: This is a type II action as defined by Environmental Conservation Law and is not subject to review under SEQR 6 NYCRR Part 617.5 (c) (1).

Review and Approval Procedures:

County Planning Board- Pursuant to General Municipal Law 239 m, referral to the County Planning Board is required since the property is within 500 feet of the State right of way.

City Planning and Development Committee- Pursuant to section 190-43 R, the Planning and Development Committee shall review and approve or deny Special Sign Permits.

BMC 190-43 F and Exhibit A Only one wall sign is permitted per street frontage.

Re: 17 Maple St.
Tax Parcel No. 84.015-2-4

Zoning Use District: R-3

The applicant, Timothy L. Corcoran (owner), has applied for a permit to widen an existing 10' wide stone driveway by placing 13' of stone to the east side of the existing driveway.

Review and Approval Procedures:

City Planning and Development Committee- Pursuant to section 190-49 C. of the zoning ordinance, the Planning and Development Committee shall review and make recommendations to the ZBA for applications that include parking variances.

Zoning Board of Appeals- Pursuant to BMC Sec. 190-49 of the zoning ordinance, the ZBA shall review and act on required variances.

Required variances- Area

- 1) **BMC Sec. 190-39 E (1) The width of driveways shall not exceed 25% of the lot frontage.**

	<u>Permitted</u>	<u>Proposed</u>	<u>Difference</u>
Driveway width	10.62' (25%)	23' (54%)	12.38' (29%)

The ZBA will be the lead agency to conduct SEQR.

Provision(s) of the Zoning Ordinance Appealed: BMC 190-39 F.(1)

Criteria to Support Area Variance

In making its determination, the zoning Board of Appeals shall take into consideration the benefit to the applicant if the variance is granted, as weighed against the detriment to the health, safety, moral, aesthetics and welfare of the neighborhood or community. The Zoning Board of Appeals shall consider the following test, as per §81-b of the General City Law when making its determination:

Explain how the proposal conforms to EACH of the following requirements:

1. **Undesirable Change in neighborhood Character.** The granting of the variance will not produce an undesirable change in the neighborhood or a detriment to nearby properties.
The variance would not interfere in with other properties.
2. **Alternative Cure Sought.** There are no other means feasible for the applicant to pursue that would result in the difficulty being avoided or remedied, other than the granting of the area variance.
The only available property is area requested
3. **Substantiality.** The requested area variance is not substantial.
Only the necessary area to park a vehicle is being requested
4. **Adverse Effect or Impact.** The requested variance will not have an adverse effect or impact on the physical or environmental condition in the neighborhood or community.
Requests would match identical requests on street that were approved.
5. **Not Self-Created.** The alleged difficulty existed at the time of the enactment of the provision or was created by natural force or governmental action, and was not the result of any action by the owner or the predecessors in title.
Condition has existed for many years (1923) this condition results in constant impingement/trespass as well as access issues

Instructions for Completing

Part 1 - Project Information. The applicant or project sponsor is responsible for the completion of Part 1. Responses become part of the application for approval or funding, are subject to public review, and may be subject to further verification. Complete Part 1 based on information currently available. If additional research or investigation would be needed to fully respond to any item, please answer as thoroughly as possible based on current information.

Complete all items in Part 1. You may also provide any additional information which you believe will be needed by or useful to the lead agency; attach additional pages as necessary to supplement any item.

Part 1 - Project and Sponsor Information							
Name of Action or Project: <i>Creation of off-street parking spot</i>							
Project Location (describe, and attach a location map): <i>17 MAPLE ST. BATAVIA NY. 14020</i>							
Brief Description of Proposed Action: <i>create a parking spot of crushed stone for use as an off street parking area for 1 vehicle</i>							
Name of Applicant or Sponsor: <i>TIM CORCORAN</i>		Telephone: <i>616 474-4142</i>					
		E-Mail:					
Address: <i>17 MAPLE ST.</i>							
City/PO: <i>BATAVIA NY. 14020</i>		State: <i>NY</i>	Zip Code: <i>14020</i>				
1. Does the proposed action only involve the legislative adoption of a plan, local law, ordinance, administrative rule, or regulation? If Yes, attach a narrative description of the intent of the proposed action and the environmental resources that may be affected in the municipality and proceed to Part 2. If no, continue to question 2.			<table border="1" style="width: 100%; text-align: center;"><tr><td>NO</td><td>YES</td></tr><tr><td><i>X</i></td><td></td></tr></table>	NO	YES	<i>X</i>	
NO	YES						
<i>X</i>							
2. Does the proposed action require a permit, approval or funding from any other governmental Agency? <i>X</i>							
3.a. Total acreage of the site of the proposed action?							
b. Total acreage to be physically disturbed? <i>~ 3/4</i> acres							
c. Total acreage (project site and any contiguous properties) owned <i>10 FT X 30 FT</i> acres							
or controlled by the applicant or project sponsor? <i>ALL</i> acres							
4. Check all land uses that occur on, adjoining and near the proposed action.							
<input type="checkbox"/> Urban <input type="checkbox"/> Rural (non-agriculture) <input type="checkbox"/> Industrial <input checked="" type="checkbox"/> Commercial <input checked="" type="checkbox"/> Residential (suburban)							
<input type="checkbox"/> Forest <input type="checkbox"/> Agriculture <input type="checkbox"/> Aquatic <input type="checkbox"/> Other (specify): _____							
<input type="checkbox"/> Parkland							

5. Is the proposed action, a. A permitted use under the zoning regulations?	NO	YES	N/A
b. Consistent with the adopted comprehensive plan?			
6. Is the proposed action consistent with the predominant character of the existing built or natural landscape?	NO	YES	
7. Is the site of the proposed action located in, or does it adjoin, a state listed Critical Environmental Area? If Yes, identify: _____	NO	YES	
8. a. Will the proposed action result in a substantial increase in traffic above present levels?	NO	YES	
b. Are public transportation service(s) available at or near the site of the proposed action?			
c. Are any pedestrian accommodations or bicycle routes available on or near site of the proposed action?			
9. Does the proposed action meet or exceed the state energy code requirements? If the proposed action will exceed requirements, describe design features and technologies: _____	NO	YES	
10. Will the proposed action connect to an existing public/private water supply? If No, describe method for providing potable water: _____	NO	YES	
11. Will the proposed action connect to existing wastewater utilities? If No, describe method for providing wastewater treatment: <u>NOT NEEDED</u>	NO	YES	
12. a. Does the site contain a structure that is listed on either the State or National Register of Historic Places?	NO	YES	
b. Is the proposed action located in an archeological sensitive area?			
13. a. Does any portion of the site of the proposed action, or lands adjoining the proposed action, contain wetlands or other waterbodies regulated by a federal, state or local agency?	NO	YES	
b. Would the proposed action physically alter, or encroach into, any existing wetland or waterbody? If Yes, identify the wetland or waterbody and extent of alterations in square feet or acres: _____			
14. Identify the typical habitat types that occur on, or are likely to be found on the project site. Check all that apply: <input type="checkbox"/> Shoreline <input type="checkbox"/> Forest <input type="checkbox"/> Agricultural/grasslands <input type="checkbox"/> Early mid-successional <input type="checkbox"/> Wetland <input checked="" type="checkbox"/> Urban <input type="checkbox"/> Suburban			
15. Does the site of the proposed action contain any species of animal, or associated habitats, listed by the State or Federal government as threatened or endangered?	NO	YES	
16. Is the project site located in the 100 year flood plain?	NO	YES	
17. Will the proposed action create storm water discharge, either from point or non-point sources? If Yes, a. Will storm water discharges flow to adjacent properties? <input checked="" type="checkbox"/> NO <input type="checkbox"/> YES b. Will storm water discharges be directed to established conveyance systems (runoff and storm drains)? If Yes, briefly describe: _____ <input type="checkbox"/> NO <input type="checkbox"/> YES	NO	YES	

18. Does the proposed action include construction or other activities that result in the impoundment of water or other liquids (e.g. retention pond, waste lagoon, dam)? If Yes, explain purpose and size: _____	NO	YES
19. Has the site of the proposed action or an adjoining property been the location of an active or closed solid waste management facility? If Yes, describe: _____	NO	YES
20. Has the site of the proposed action or an adjoining property been the subject of remediation (ongoing or completed) for hazardous waste? If Yes, describe: _____	NO	YES

I AFFIRM THAT THE INFORMATION PROVIDED ABOVE IS TRUE AND ACCURATE TO THE BEST OF MY KNOWLEDGE

Applicant/sponsor name: Timothy L. Concoran Date: 4/6/15

Signature: _____

Part 2 - Impact Assessment. The Lead Agency is responsible for the completion of Part 2. Answer all of the following questions in Part 2 using the information contained in Part 1 and other materials submitted by the project sponsor or otherwise available to the reviewer. When answering the questions the reviewer should be guided by the concept "Have my responses been reasonable considering the scale and context of the proposed action?"

	No, or small impact may occur	Moderate to large impact may occur
1. Will the proposed action create a material conflict with an adopted land use plan or zoning regulations?		
2. Will the proposed action result in a change in the use or intensity of use of land?		
3. Will the proposed action impair the character or quality of the existing community?		
4. Will the proposed action have an impact on the environmental characteristics that caused the establishment of a Critical Environmental Area (CEA)?		
5. Will the proposed action result in an adverse change in the existing level of traffic or affect existing infrastructure for mass transit, biking or walkway?		
6. Will the proposed action cause an increase in the use of energy and it fails to incorporate reasonably available energy conservation or renewable energy opportunities?		
7. Will the proposed action impact existing: <ul style="list-style-type: none"> a. public / private water supplies? b. public / private wastewater treatment utilities? 		
8. Will the proposed action impair the character or quality of important historic, archaeological, architectural or aesthetic resources?		
9. Will the proposed action result in an adverse change to natural resources (e.g., wetlands, waterbodies, groundwater, air quality, flora and fauna)?		

	No, or small impact may occur	Moderate to large impact may occur
10. Will the proposed action result in an increase in the potential for erosion, flooding or drainage problems?		
11. Will the proposed action create a hazard to environmental resources or human health?		

Part 3 - Determination of significance. The Lead Agency is responsible for the completion of Part 3. For every question in Part 2 that was answered "moderate to large impact may occur", or if there is a need to explain why a particular element of the proposed action may or will not result in a significant adverse environmental impact, please complete Part 3. Part 3 should, in sufficient detail, identify the impact, including any measures or design elements that have been included by the project sponsor to avoid or reduce impacts. Part 3 should also explain how the lead agency determined that the impact may or will not be significant. Each potential impact should be assessed considering its setting, probability of occurring, duration, irreversibility, geographic scope and magnitude. Also consider the potential for short-term, long-term and cumulative impacts.

- ☐ Check this box if you have determined, based on the information and analysis above, and any supporting documentation, that the proposed action may result in one or more potentially large or significant adverse impacts and an environmental impact statement is required.
- ☐ Check this box if you have determined, based on the information and analysis above, and any supporting documentation, that the proposed action will not result in any significant adverse environmental impacts.

Re: 23 Seneca St.
Tax Parcel No. 84.034-3-46

Zoning Use District: R-2

The applicant, George Mirrione (owner), has applied for a permit to widen an existing 11.41' wide asphalt driveway to 23.41' by placing a 12' wide stone addition to the north side of the existing driveway.

Review and Approval Procedures:

City Planning and Development Committee- Pursuant to section 190-49 C. of the zoning ordinance, the Planning and Development Committee shall review and make recommendations to the ZBA for applications that include parking variances.

Zoning Board of Appeals- Pursuant to BMC Sec. 190-49 of the zoning ordinance, the ZBA shall review and act on required variances.

Required variances- Area

- 1) **BMC Sec. 190-39 E (1)** The width of driveways shall not exceed 25% of the lot frontage.

	<u>Permitted</u>	<u>Proposed</u>	<u>Difference</u>
Driveway width	14.20' (25%)	23.41' (41%)	9.21' (16%)

The ZBA will be the lead agency to conduct SEQ. R.

TYPE OF APPEAL: ☒ Area Variance ☐ Use Variance ☐ Interpretation ☐ Decision of Planning Committee

FEE: ☒ \$50 (One or Two Family Use) ☐ \$100 (All other Uses)

Provision(s) of the Zoning Ordinance Appealed: BMC 190-39 E. (1) The width of driveways located in front yards shall not exceed 25% the lot frontage.

Criteria to Support Area Variance

In making its determination, the zoning Board of Appeals shall take into consideration the benefit to the applicant if the variance is granted, as weighed against the detriment to the health, safety, moral, aesthetics and welfare of the neighborhood or community. The Zoning Board of Appeals shall consider the following test, as per §81-b of the General City Law when making its determination:

Explain how the proposal conforms to EACH of the following requirements:

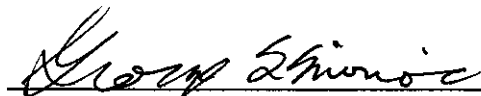

1. **Undesirable Change in neighborhood Character.** The granting of the variance will not produce an undesirable change in the neighborhood or a detriment to nearby properties.
The driveway will have a 4' buffer between it and the neighbors property line.

2. **Alternative Cure Sought.** There are no other means feasible for the applicant to pursue that would result in the difficulty being avoided or remedied, other than the granting of the area variance.
The driveway will provide additional parking for family.

3. **Substantiality.** The requested area variance is not substantial.
The driveway would be 12' wide x 35.14' length.

4. **Adverse Effect or Impact.** The requested variance will not have an adverse effect or impact on the physical or environmental condition in the neighborhood or community.
The driveway will provide additional parking for family

5. **Not Self-Created.** The alleged difficulty existed at the time of the enactment of the provision or was created by natural force or governmental action, and was not the result of any action by the owner or the predecessors in title.
The driveway will provide additional parking for family

WARRANTY DEED

THIS INDENTURE made 10/23, 2014,

BETWEEN

THE RAY and MARILYN COLANTONIO LIVING TRUST, established October 3, 1992, Raymond B. Colantonio and Marilyn J. Colantonio, Trustees, whose mailing address is 19 Seneca Avenue, Batavia, New York 14020,
party of the first part, and

GEORGE F. MIRRIONE and MICHELLE R. MIRRIONE, residing at 23 Seneca Avenue, Batavia, NY 14020,
party of the second part,

WITNESSETH, that the party of the first part, in consideration of One and 00/100 Dollars (\$1.00) plus other good and valuable consideration paid by the party of the second part, does hereby grant and release unto the party of the second part, their heirs or successors and assigns of the party of the second part,

SEE SCHEDULE A ATTACHED HERETO AND MADE A PART HEREOF

Subject to easements, covenants, restrictions and rights-of-way of record, if any.

Being and intending to convey the same premises conveyed to first party by deed recorded in the Genesee County Clerk's Office on June 9, 2014, in Liber 906 of Deeds, page 148 and

TOGETHER with the appurtenances and all the estate and rights of the party of the first in and to said premises,

TO HAVE AND TO HOLD the premises herein granted unto the party of the second part, the heirs or successors and assigns of the party of the second part forever.

AND the party of the first part covenants as follows:

FIRST, That the party of the first part is seized of the said premises in fee simple, and has good right to convey the same;

SECOND, That the party of the second part shall quietly enjoy the said premises;

THIRD, That the premises are free from incumbrances, except as aforesaid,

FOURTH, That the party of the first part will execute or procure any further necessary assurance of the title to said premises;

FIFTH, That the party of the first part will forever **WARRANT** the title to said premises;

SIXTH, the party of the first part, in compliance with Section 13 of the Lien Law, covenants that the party of the first part will receive the consideration for this conveyance and will hold the right to receive such consideration as a trust fund to be applied first for the purpose of paying the cost of the improvement and will apply the same first to the payment of the cost of the improvement before using any part of the total of the same for any other purpose.

The word "party" shall be construed as if it read "parties" whenever the sense of this indenture so requires.

IN WITNESS WHEREOF, the party of the first part has duly executed this deed the day and year first above written.

In Presence of

THE RAY AND MARILYN
COLANTONIO LIVING TRUST

By: Raymond B. Colantonio
Raymond B. Colantonio, Sole Trustee

STATE OF NEW YORK
COUNTY OF GENESEE

On the 23 day of October, in the year 2014, before me, the undersigned, a Notary Public in and for said State, personally appeared RAYMOND B. COLANTONIO, personally known to me or proved to me on the basis of satisfactory evidence to be the individual(s) whose name(s) is (are) subscribed to the within instrument and acknowledged to me that he/she/they executed the same in his/her/their capacity(ies), and that by his/her/their signature(s) on the instrument, the individual(s), or the person upon behalf of which the individual(s) acted, executed the instrument.

SCHEDULE A

PARCEL "A"

ALL THAT TRACT OR PARCEL OF LAND, situate in the City of Batavia, County of Genesee and State of New York, bounded and described as follows:

Beginning at a point in the south line of Lot No. 5 of the Bissell Subdivision of Original Lot No. 32, as the same is shown on a map by David E. E. Mix, surveyor, and now filed in the Genesee County Clerk's Office in Liber 1 of Maps at page 8, at a point 220 feet westerly along said south line from the southeast corner of Lot No. 5, thence northerly 66 feet on a line parallel to the easterly boundary of said Lot No. 5 which said easterly boundary is also the west line of Ross Street, to a point in the north line of Lot No. 5; thence westerly along said north line 77 feet to a point; thence southerly 66 feet along a line parallel to the first mentioned course to a point in the south line of Lot No. 5; thence easterly 77 feet to the place of beginning.

PARCEL "B"

ALL THAT TRACT OR PARCEL OF LAND, situate in the City of Batavia, County of Genesee and State of New York being subdivision Lot No. 23 situate on Seneca Avenue as shown on "Map of Mahaney and Snell Subdivision of part of City Lot No. 30" made by R.A. Wentworth October 6, 1919 and filed in Genesee County Clerk's Office October 7, 1919 in Book 1 of Maps at page 48. Being a lot 40 feet wide and 70 feet deep the property is located on the east side of Seneca Avenue and known as Lot No. 23.

Property Mailing Address: 23 Seneca Avenue, Batavia, New York 14020
Tax Map No: 84.034-3-46.

PARCEL "C"

ALL THAT TRACT OR PARCEL OF LAND, situate in the City of Batavia, County of Genesee and State of New York, being part of Original Village Lot No. 30, distinguished as being part of Subdivision Lot No. 21 of the Mahaney and Snell Subdivision, and more particularly described as follows:

Beginning at a point on the easterly street line of Seneca Avenue at the northwest corner of Subdivision Lot No. 23 and southwest corner of Subdivision Lot No. 21 of the Mahaney and Snell Subdivision, said point being the northwest corner of land conveyed to George F. and Michelle R. Mirrione at Liber 906 of Deeds, page 148;

Thence northerly, along the street line of Seneca Avenue, a distance of 16.38' to a point;

Thence easterly, forming an interior angle of $89^{\circ}56'-00''$, a distance of 70.00' to a point on the easterly line of Subdivision Lot No. 21;

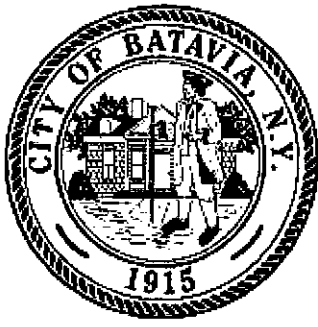

Thence southerly, along the east line of Lot No. 21 and forming an interior angle of $90^{\circ}04'-00''$, a distance of 16.30' to a point, said point being the southeast corner of Lot No. 21 and northeast corner of Lot No. 23 and the northeast corner of Mirrione lands;

Thence westerly, along the northerly line of Mirrione lands and forming an interior angle of $90^{\circ}00'-00''$, a distance of 70.00' to the point of beginning, said final course forming an interior angle of $90^{\circ}00'-00''$ with the street line of Seneca Avenue, containing 0.026 +/- acre

The above Parcels A and B are presently owned by the grantees herein George F. Mirrione and Michelle R. Mirrione.

This parcel (Parcel C) is being conveyed by party of the first part to parties of the second part. Parcel C is being added to Parcels A and B. Subsequent transfer of Parcel C except in conjunction with Parcels A and B is a violation of the zoning ordinance of the City of Batavia.

Parcel C is part of premises conveyed to Party of the First Part by quitclaim deed recorded in the Genesee County Clerk's Office on January 12, 1993 in Liber 621 of Deeds, at page 60.

Planning and Development Committee

From: Doug Randall, Code Enforcement Officer

Date: 6/2/15

Re: 165 Cedar St (aka 4815 Ellicott St. Rd.)(O-AT-KA Milk Products Coop. Inc.)
Tax Parcel No. Multiple (parcels to be merged)

Zoning Use District: I-1

The applicant, David Nutting, Chairman, VIP Structures (agent for owner) has filed an application to construct a 229,823 square foot (approx.) "Warehouse and Pallet & Labeling" addition to this existing industrial complex. The proposed addition will be constructed across the City/Town municipal boundaries and is subject to approvals from both municipalities. The majority of the "Warehouse" structure (188,048 sq' approx.) will be located within the Town of Batavia. The northern portion (6,495 sq' approx.) of the "Warehouse" and the entire "Pallet & Labeling" area (35,280 sq') will be located within the City of Batavia. The applicant is proposing to merge the multiple parcels in the project area to comply with the City's zoning requirements.

Review and Approval Procedures:

County Planning Board- Pursuant to General Municipal Law 239 m, referral to the County Planning Board is required since the property is within 500 feet of the city/town municipal boundary.

City Planning and Development Committee- Pursuant to section 190-44 B (1) of the zoning ordinance, the Planning and Development Committee shall conduct site plan reviews.

BMC 190-44 C. (1)(a) Site plan review is required for nonresidential construction projects that increase the lot coverage by more than 1,300 sq'.

This is a Type 1 action as defined by Environmental Conservation Law and is subject to review under SEQR 6 NYCRR Part 617.4 (6)(iv). Coordinated review between involved agencies is required per SEQR 6 NYCRR Part 617.6 (b)(2).

Because 82% of this project is located within the Town of Batavia, the City of Batavia Planning and Development Committee will concede "Lead Agency" status to the Town of Batavia Planning Board for the purposes of environmental quality review. The City of Batavia PDC will remain an "Involved Agency".

Re: O-AT-KA Milk Products Building Addition

Dear Mr. Randall,

Per your discussions with our project team, O-AT-KA Milk Products Cooperative is committed to merging the various parcels that the plant is located on that are within the City's corporate limits as is necessary to meet existing codes and regulations or desirable for mutual administrative ease. Please recommend the necessary steps to facilitate this outcome.

If you have any questions or comments, please feel free to contact me or members of the project team directly.

Sincerely,

Michael R. Patterson
Chief Financial Officer

Full Environmental Assessment Form
Part 1 - Project and Setting

Instructions for Completing Part 1

Part 1 is to be completed by the applicant or project sponsor. Responses become part of the application for approval or funding, are subject to public review, and may be subject to further verification.

Complete Part 1 based on information currently available. If additional research or investigation would be needed to fully respond to any item, please answer as thoroughly as possible based on current information; indicate whether missing information does not exist, or is not reasonably available to the sponsor; and, when possible, generally describe work or studies which would be necessary to update or fully develop that information.

Applicants/sponsors must complete all items in Sections A & B. In Sections C, D & E, most items contain an initial question that must be answered either "Yes" or "No". If the answer to the initial question is "Yes", complete the sub-questions that follow. If the answer to the initial question is "No", proceed to the next question. Section F allows the project sponsor to identify and attach any additional information. Section G requires the name and signature of the project sponsor to verify that the information contained in Part 1 is accurate and complete.

c. City Council, Town or <input type="checkbox"/> Yes <input checked="" type="checkbox"/> No Village Zoning Board of Appeals		
d. Other local agencies <input type="checkbox"/> Yes <input checked="" type="checkbox"/> No		
e. County agencies <input type="checkbox"/> Yes <input checked="" type="checkbox"/> No		
f. Regional agencies <input type="checkbox"/> Yes <input checked="" type="checkbox"/> No		
g. State agencies <input type="checkbox"/> Yes <input checked="" type="checkbox"/> No		
h. Federal agencies <input type="checkbox"/> Yes <input type="checkbox"/> No		
i. Coastal Resources. i. Is the project site within a Coastal Area, or the waterfront area of a Designated Inland Waterway? <input type="checkbox"/> Yes <input checked="" type="checkbox"/> No ii. Is the project site located in a community with an approved Local Waterfront Revitalization Program? <input type="checkbox"/> Yes <input checked="" type="checkbox"/> No iii. Is the project site within a Coastal Erosion Hazard Area? <input type="checkbox"/> Yes <input checked="" type="checkbox"/> No		

C. Planning and Zoning

C.1. Planning and zoning actions.	
Will administrative or legislative adoption, or amendment of a plan, local law, ordinance, rule or regulation be the only approval(s) which must be granted to enable the proposed action to proceed? <input type="checkbox"/> Yes <input checked="" type="checkbox"/> No • If Yes, complete sections C, F and G. • If No, proceed to question C.2 and complete all remaining sections and questions in Part 1	
C.2. Adopted land use plans.	
a. Do any municipally- adopted (city, town, village or county) comprehensive land use plan(s) include the site where the proposed action would be located? <input type="checkbox"/> Yes <input checked="" type="checkbox"/> No If Yes, does the comprehensive plan include specific recommendations for the site where the proposed action would be located? <input type="checkbox"/> Yes <input checked="" type="checkbox"/> No	
b. Is the site of the proposed action within any local or regional special planning district (for example: Greenway Brownfield Opportunity Area (BOA); designated State or Federal heritage area; watershed management plan; or other?) <input checked="" type="checkbox"/> Yes <input type="checkbox"/> No If Yes, identify the plan(s): <u>Flood plan overlay district. Wellhead protection overlay district</u>	
c. Is the proposed action located wholly or partially within an area listed in an adopted municipal open space plan, or an adopted municipal farmland protection plan? <input type="checkbox"/> Yes <input checked="" type="checkbox"/> No If Yes, identify the plan(s):	

C.3. Zoning

- a. Is the site of the proposed action located in a municipality with an adopted zoning law or ordinance. ☒ Yes ☐ No
If Yes, what is the zoning classification(s) including any applicable overlay district?
Industrial
- b. Is the use permitted or allowed by a special or conditional use permit? ☒ Yes ☐ No
- c. Is a zoning change requested as part of the proposed action? ☐ Yes ☒ No
If Yes,
i. What is the proposed new zoning for the site? _____

C.4. Existing community services.

- a. In what school district is the project site located? Batavia Central Schools
- b. What police or other public protection forces serve the project site?
Batavia City Police Department, NYS Police
- c. Which fire protection and emergency medical services serve the project site?
Batavia Fire Department and Town of Batavia Fire Department
- d. What parks serve the project site?
N/A

D. Project Details

D.1. Proposed and Potential Development

- a. What is the general nature of the proposed action (e.g., residential, industrial, commercial, recreational; if mixed, include all components)? Industrial
- b. a. Total acreage of the site of the proposed action? 101 +/- acres
b. Total acreage to be physically disturbed? 20 +/- acres
c. Total acreage (project site and any contiguous properties) owned or controlled by the applicant or project sponsor? 101 +/- acres
- c. Is the proposed action an expansion of an existing project or use? ☒ Yes ☐ No
i. If Yes, what is the approximate percentage of the proposed expansion and identify the units (e.g., acres, miles, housing units, square feet)? % 83 Units: Square Feet
- d. Is the proposed action a subdivision, or does it include a subdivision? ☐ Yes ☒ No
If Yes,
i. Purpose or type of subdivision? (e.g., residential, industrial, commercial; if mixed, specify types) _____
ii. Is a cluster/conservation layout proposed? ☐ Yes ☒ No
iii. Number of lots proposed? _____
iv. Minimum and maximum proposed lot sizes? Minimum _____ Maximum _____
- e. Will proposed action be constructed in multiple phases? ☐ Yes ☒ No
i. If No, anticipated period of construction: 10-12 months
ii. If Yes:
 - Total number of phases anticipated _____
 - Anticipated commencement date of phase 1 (including demolition) _____ month _____ year
 - Anticipated completion date of final phase _____ month _____ year
 - Generally describe connections or relationships among phases, including any contingencies where progress of one phase may determine timing or duration of future phases: _____

f. Does the project include new residential uses? ☐ Yes ☒ No
 If Yes, show numbers of units proposed.

	One Family	Two Family	Three Family	Multiple Family (four or more)
Initial Phase				
At completion				
of all phases				

g. Does the proposed action include new non-residential construction (including expansions)? ☒ Yes ☐ No
 If Yes,

i. Total number of structures 2
 ii. Dimensions (in feet) of largest proposed structure: 40 height; 479 width; and 462 length
 iii. Approximate extent of building space to be heated or cooled: 231,000 square feet

h. Does the proposed action include construction or other activities that will result in the impoundment of any liquids, such as creation of a water supply, reservoir, pond, lake, waste lagoon or other storage? ☐ Yes ☒ No
 If Yes,

i. Purpose of the impoundment: _____
 ii. If a water impoundment, the principal source of the water: ☐ Ground water ☐ Surface water streams ☐ Other specify: _____
 iii. If other than water, identify the type of impounded/contained liquids and their source. _____
 iv. Approximate size of the proposed impoundment. Volume: _____ million gallons; surface area: _____ acres
 v. Dimensions of the proposed dam or impounding structure: _____ height; _____ length
 vi. Construction method/materials for the proposed dam or impounding structure (e.g., earth fill, rock, wood, concrete): _____

D.2. Project Operations

a. Does the proposed action include any excavation, mining, or dredging, during construction, operations, or both? ☐ Yes ☒ No
 (Not including general site preparation, grading or installation of utilities or foundations where all excavated materials will remain onsite)
 If Yes:

i. What is the purpose of the excavation or dredging? _____
 ii. How much material (including rock, earth, sediments, etc.) is proposed to be removed from the site?
 • Volume (specify tons or cubic yards): _____
 • Over what duration of time? _____
 iii. Describe nature and characteristics of materials to be excavated or dredged, and plans to use, manage or dispose of them. _____
 iv. Will there be onsite dewatering or processing of excavated materials? ☐ Yes ☒ No
 If yes, describe. _____
 v. What is the total area to be dredged or excavated? _____ acres
 vi. What is the maximum area to be worked at any one time? _____ acres
 vii. What would be the maximum depth of excavation or dredging? _____ feet
 viii. Will the excavation require blasting? ☐ Yes ☐ No
 ix. Summarize site reclamation goals and plan: _____

b. Would the proposed action cause or result in alteration of, increase or decrease in size of, or encroachment into any existing wetland, waterbody, shoreline, beach or adjacent area? ☐ Yes ☒ No
 If Yes:

i. Identify the wetland or waterbody which would be affected (by name, water index number, wetland map number or geographic description): _____

ii. Describe how the proposed action would affect that waterbody or wetland, e.g. excavation, fill, placement of structures, or alteration of channels, banks and shorelines. Indicate extent of activities, alterations and additions in square feet or acres:

iii. Will proposed action cause or result in disturbance to bottom sediments?

☐ Yes ☒ No

If Yes, describe:

iv. Will proposed action cause or result in the destruction or removal of aquatic vegetation?

☐ Yes ☒ No

If Yes:

- acres of aquatic vegetation proposed to be removed: _____
- expected acreage of aquatic vegetation remaining after project completion: _____
- purpose of proposed removal (e.g. beach clearing, invasive species control, boat access): _____
- proposed method of plant removal: _____
- if chemical/herbicide treatment will be used, specify product(s): _____

v. Describe any proposed reclamation/mitigation following disturbance: _____

c. Will the proposed action use, or create a new demand for water?

☒ Yes ☐ No

If Yes:

i. Total anticipated water usage/demand per day: _____ N/A Fire Protection gallons/day

ii. Will the proposed action obtain water from an existing public water supply?

☒ Yes ☐ No

If Yes:

- Name of district or service area: Batavia Water District No. 3
- Does the existing public water supply have capacity to serve the proposal? ☒ Yes ☐ No
- Is the project site in the existing district? ☒ Yes ☐ No
- Is expansion of the district needed? ☐ Yes ☒ No
- Do existing lines serve the project site? ☒ Yes ☐ No

iii. Will line extension within an existing district be necessary to supply the project?

☐ Yes ☒ No

If Yes:

- Describe extensions or capacity expansions proposed to serve this project: _____
The additional water supply is for the proposed fire water needed for the proposed building.
- Source(s) of supply for the district: _____

iv. Is a new water supply district or service area proposed to be formed to serve the project site?

☐ Yes ☒ No

If, Yes:

- Applicant/sponsor for new district: _____
- Date application submitted or anticipated: _____
- Proposed source(s) of supply for new district: _____

v. If a public water supply will not be used, describe plans to provide water supply for the project: _____

vi. If water supply will be from wells (public or private), maximum pumping capacity: _____ gallons/minute.

d. Will the proposed action generate liquid wastes?

☐ Yes ☒ No

If Yes:

i. Total anticipated liquid waste generation per day: _____ gallons/day

ii. Nature of liquid wastes to be generated (e.g., sanitary wastewater, industrial; if combination, describe all components and approximate volumes or proportions of each): _____

iii. Will the proposed action use any existing public wastewater treatment facilities?

☐ Yes ☒ No

If Yes:

- Name of wastewater treatment plant to be used: _____
- Name of district: _____
- Does the existing wastewater treatment plant have capacity to serve the project? ☐ Yes ☐ No
- Is the project site in the existing district? ☐ Yes ☐ No
- Is expansion of the district needed? ☐ Yes ☐ No

<ul style="list-style-type: none"> • Do existing sewer lines serve the project site? _____ • Will line extension within an existing district be necessary to serve the project? _____ <p>If Yes:</p> <ul style="list-style-type: none"> • Describe extensions or capacity expansions proposed to serve this project: _____ 	<input checked="" type="checkbox"/> Yes <input type="checkbox"/> No <input type="checkbox"/> Yes <input checked="" type="checkbox"/> No
<p>iv. Will a new wastewater (sewage) treatment district be formed to serve the project site? _____</p> <p>If Yes:</p> <ul style="list-style-type: none"> • Applicant/sponsor for new district: _____ • Date application submitted or anticipated: _____ • What is the receiving water for the wastewater discharge? _____ 	<input type="checkbox"/> Yes <input checked="" type="checkbox"/> No
<p>v. If public facilities will not be used, describe plans to provide wastewater treatment for the project, including specifying proposed receiving water (name and classification if surface discharge, or describe subsurface disposal plans): _____</p>	
<p>vi. Describe any plans or designs to capture, recycle or reuse liquid waste: _____</p>	
<p>e. Will the proposed action disturb more than one acre and create stormwater runoff, either from new point sources (i.e. ditches, pipes, swales, curbs, gutters or other concentrated flows of stormwater) or non-point source (i.e. sheet flow) during construction or post construction? _____</p> <p>If Yes:</p> <p>i. How much impervious surface will the project create in relation to total size of project parcel?</p> <p style="margin-left: 40px;">_____ Square feet or <u>8.79</u> acres (impervious surface)</p> <p style="margin-left: 40px;">_____ Square feet or <u>101</u> acres (parcel size)</p> <p>ii. Describe types of new point sources. <u>None</u></p>	<input checked="" type="checkbox"/> Yes <input type="checkbox"/> No
<p>iii. Where will the stormwater runoff be directed (i.e. on-site stormwater management facility/structures, adjacent properties, groundwater, on-site surface water or off-site surface waters)?</p> <p style="margin-left: 40px;"><u>On site storm water management facility with no off site discharge.</u></p>	
<ul style="list-style-type: none"> • If to surface waters, identify receiving water bodies or wetlands: _____ • Will stormwater runoff flow to adjacent properties? _____ 	
<p>iv. Does proposed plan minimize impervious surfaces, use pervious materials or collect and re-use stormwater? _____</p>	<input type="checkbox"/> Yes <input checked="" type="checkbox"/> No <input type="checkbox"/> Yes <input checked="" type="checkbox"/> No
<p>f. Does the proposed action include, or will it use on-site, one or more sources of air emissions, including fuel combustion, waste incineration, or other processes or operations? _____</p> <p>If Yes, identify:</p> <p>i. Mobile sources during project operations (e.g., heavy equipment, fleet or delivery vehicles) _____</p> <p>ii. Stationary sources during construction (e.g., power generation, structural heating, batch plant, crushers) _____</p> <p>iii. Stationary sources during operations (e.g., process emissions, large boilers, electric generation) _____</p>	<input type="checkbox"/> Yes <input checked="" type="checkbox"/> No
<p>g. Will any air emission sources named in D.2.f (above), require a NY State Air Registration, Air Facility Permit, or Federal Clean Air Act Title IV or Title V Permit? _____</p> <p>If Yes:</p> <p>i. Is the project site located in an Air quality non-attainment area? (Area routinely or periodically fails to meet ambient air quality standards for all or some parts of the year) _____</p> <p>ii. In addition to emissions as calculated in the application, the project will generate:</p> <ul style="list-style-type: none"> • _____ Tons/year (short tons) of Carbon Dioxide (CO₂) • _____ Tons/year (short tons) of Nitrous Oxide (N₂O) • _____ Tons/year (short tons) of Perfluorocarbons (PFCs) • _____ Tons/year (short tons) of Sulfur Hexafluoride (SF₆) • _____ Tons/year (short tons) of Carbon Dioxide equivalent of Hydrofluorocarbons (HFCs) • _____ Tons/year (short tons) of Hazardous Air Pollutants (HAPs) 	

h. Will the proposed action generate or emit methane (including, but not limited to, sewage treatment plants, landfills, composting facilities)? ☐ Yes ☒ No

If Yes:

i. Estimate methane generation in tons/year (metric): _____

ii. Describe any methane capture, control or elimination measures included in project design (e.g., combustion to generate heat or electricity, flaring): _____

i. Will the proposed action result in the release of air pollutants from open-air operations or processes, such as quarry or landfill operations? ☐ Yes ☒ No

If Yes: Describe operations and nature of emissions (e.g., diesel exhaust, rock particulates/dust): _____

j. Will the proposed action result in a substantial increase in traffic above present levels or generate substantial new demand for transportation facilities or services? ☐ Yes ☒ No

If Yes:

i. When is the peak traffic expected (Check all that apply): ☐ Morning ☐ Evening ☐ Weekend
☐ Randomly between hours of _____ to _____

ii. For commercial activities only, projected number of semi-trailer truck trips/day: _____

iii. Parking spaces: Existing _____ Proposed _____ Net increase/decrease _____

iv. Does the proposed action include any shared use parking? ☐ Yes ☐ No

v. If the proposed action includes any modification of existing roads, creation of new roads or change in existing access, describe: _____

vi. Are public/private transportation service(s) or facilities available within 1/2 mile of the proposed site? ☐ Yes ☐ No

vii. Will the proposed action include access to public transportation or accommodations for use of hybrid, electric or other alternative fueled vehicles? ☐ Yes ☐ No

viii. Will the proposed action include plans for pedestrian or bicycle accommodations for connections to existing pedestrian or bicycle routes? ☐ Yes ☐ No

k. Will the proposed action (for commercial or industrial projects only) generate new or additional demand for energy? ☒ Yes ☐ No

If Yes:

i. Estimate annual electricity demand during operation of the proposed action: _____

ii. Anticipated sources/suppliers of electricity for the project (e.g., on-site combustion, on-site renewable, via grid/local utility, or other): _____

iii. Will the proposed action require a new, or an upgrade to, an existing substation? ☐ Yes ☐ No

l. Hours of operation. Answer all items which apply.

<p>i. During Construction:</p> <ul style="list-style-type: none"> • Monday - Friday: _____ 7:00 am - 6:00 pm • Saturday: _____ • Sunday: _____ • Holidays: _____ 	<p>ii. During Operations:</p> <ul style="list-style-type: none"> • Monday - Friday: _____ 24 hours • Saturday: _____ 24 hours • Sunday: _____ 24 hours • Holidays: _____ 24 hours
--	---

m. Will the proposed action produce noise that will exceed existing ambient noise levels during construction, operation, or both? ☒ Yes ☐ No
 If yes:
 i. Provide details including sources, time of day and duration:
Heavy earth moving and construction equipment from 7:00 am to 6:00 pm

ii. Will proposed action remove existing natural barriers that could act as a noise barrier or screen? ☐ Yes ☒ No
 Describe: _____

n. Will the proposed action have outdoor lighting? ☒ Yes ☐ No
 If yes:
 i. Describe source(s), location(s), height of fixture(s), direction/aim, and proximity to nearest occupied structures:
Exterior lighting fixtures will be attached to the building.

ii. Will proposed action remove existing natural barriers that could act as a light barrier or screen? ☐ Yes ☒ No
 Describe: _____

o. Does the proposed action have the potential to produce odors for more than one hour per day? ☐ Yes ☒ No
 If Yes, describe possible sources, potential frequency and duration of odor emissions, and proximity to nearest occupied structures: _____

p. Will the proposed action include any bulk storage of petroleum (combined capacity of over 1,100 gallons) or chemical products 185 gallons in above ground storage or any amount in underground storage? ☐ Yes ☒ No
 If Yes:
 i. Product(s) to be stored _____
 ii. Volume(s) _____ per unit time _____ (e.g., month, year)
 iii. Generally describe proposed storage facilities: _____

q. Will the proposed action (commercial, industrial and recreational projects only) use pesticides (i.e., herbicides, insecticides) during construction or operation? ☐ Yes ☒ No
 If Yes:
 i. Describe proposed treatment(s): _____

ii. Will the proposed action use Integrated Pest Management Practices? ☒ Yes ☐ No

r. Will the proposed action (commercial or industrial projects only) involve or require the management or disposal of solid waste (excluding hazardous materials)? ☐ Yes ☒ No
 If Yes:
 i. Describe any solid waste(s) to be generated during construction or operation of the facility:
 • Construction: _____ tons per _____ (unit of time)
 • Operation: _____ tons per _____ (unit of time)
 ii. Describe any proposals for on-site minimization, recycling or reuse of materials to avoid disposal as solid waste:
 • Construction: _____
 • Operation: _____
 iii. Proposed disposal methods/facilities for solid waste generated on-site:
 • Construction: _____
 • Operation: _____

s. Does the proposed action include construction or modification of a solid waste management facility? ☐ Yes ☒ No

If Yes:

i. Type of management or handling of waste proposed for the site (e.g., recycling or transfer station, composting, landfill, or other disposal activities): _____

ii. Anticipated rate of disposal/processing:

- _____ Tons/month, if transfer or other non-combustion/thermal treatment, or
- _____ Tons/hour, if combustion or thermal treatment

iii. If landfill, anticipated site life: _____ years

t. Will proposed action at the site involve the commercial generation, treatment, storage, or disposal of hazardous waste? ☐ Yes ☒ No

If Yes:

i. Name(s) of all hazardous wastes or constituents to be generated, handled or managed at facility: _____

ii. Generally describe processes or activities involving hazardous wastes or constituents: _____

iii. Specify amount to be handled or generated _____ tons/month

iv. Describe any proposals for on-site minimization, recycling or reuse of hazardous constituents: _____

v. Will any hazardous wastes be disposed at an existing offsite hazardous waste facility? ☐ Yes ☐ No

If Yes: provide name and location of facility: _____

If No: describe proposed management of any hazardous wastes which will not be sent to a hazardous waste facility: _____

E. Site and Setting of Proposed Action

E.1. Land uses on and surrounding the project site

a. Existing land uses.

i. Check all uses that occur on, adjoining and near the project site.

- ☐ Urban ☒ Industrial ☐ Commercial ☐ Residential (suburban) ☐ Rural (non-farm)
☐ Forest ☒ Agriculture ☐ Aquatic ☐ Other (specify): _____

ii. If mix of uses, generally describe: _____

b. Land uses and covertypes on the project site.

Land use or Covertype	Current Acreage	Acreage After Project Completion	Change (Acres +/-)
• Roads, buildings, and other paved or impervious surfaces	22.2	31.0	8.8
• Forested	15.9	15.9	0
• Meadows, grasslands or brushlands (non-agricultural, including abandoned agricultural)	4.3	4.3	0
• Agricultural (includes active orchards, field, greenhouse etc.)	43.5	39.5	-4.0
• Surface water features (lakes, ponds, streams, rivers, etc.)			
• Wetlands (freshwater or tidal)			
• Non-vegetated (bare rock, earth or fill)			
• Other Describe: <u>Lawn</u>	15.1	10.3	-4.8

c. Is the project site presently used by members of the community for public recreation? ☐ Yes ☒ No
i. If Yes: explain: _____

d. Are there any facilities serving children, the elderly, people with disabilities (e.g., schools, hospitals, licensed day care centers, or group homes) within 1500 feet of the project site? ☐ Yes ☒ No
If Yes,
i. Identify Facilities: _____

e. Does the project site contain an existing dam? ☐ Yes ☒ No
If Yes:
i. Dimensions of the dam and impoundment:
• Dam height: _____ feet
• Dam length: _____ feet
• Surface area: _____ acres
• Volume impounded: _____ gallons OR acre-feet
ii. Dam's existing hazard classification: _____
iii. Provide date and summarize results of last inspection: _____

f. Has the project site ever been used as a municipal, commercial or industrial solid waste management facility, or does the project site adjoin property which is now, or was at one time, used as a solid waste management facility? ☐ Yes ☒ No
If Yes:
i. Has the facility been formally closed? ☐ Yes ☐ No
• If yes, cite sources/documentation: _____
ii. Describe the location of the project site relative to the boundaries of the solid waste management facility: _____

iii. Describe any development constraints due to the prior solid waste activities: _____

g. Have hazardous wastes been generated, treated and/or disposed of at the site, or does the project site adjoin property which is now or was at one time used to commercially treat, store and/or dispose of hazardous waste? ☐ Yes ☒ No
If Yes:
i. Describe waste(s) handled and waste management activities, including approximate time when activities occurred: _____

h. Potential contamination history. Has there been a reported spill at the proposed project site, or have any remedial actions been conducted at or adjacent to the proposed site? ☐ Yes ☒ No
If Yes:
i. Is any portion of the site listed on the NYSDEC Spills Incidents database or Environmental Site Remediation database? Check all that apply: ☐ Yes ☐ No
☐ Yes – Spills Incidents database Provide DEC ID number(s): _____
☐ Yes – Environmental Site Remediation database Provide DEC ID number(s): _____
☐ Neither database
ii. If site has been subject of RCRA corrective activities, describe control measures: _____

iii. Is the project within 2000 feet of any site in the NYSDEC Environmental Site Remediation database? ☐ Yes ☐ No
If yes, provide DEC ID number(s): _____
iv. If yes to (i), (ii) or (iii) above, describe current status of site(s): _____

v. Is the project site subject to an institutional control limiting property uses? ☐ Yes ☐ No

- If yes, DEC site ID number: _____
- Describe the type of institutional control (e.g., deed restriction or easement): _____
- Describe any use limitations: _____
- Describe any engineering controls: _____
- Will the project affect the institutional or engineering controls in place? ☐ Yes ☐ No
- Explain: _____

E.2. Natural Resources On or Near Project Site

a. What is the average depth to bedrock on the project site? _____ unknown feet

b. Are there bedrock outcroppings on the project site? ☐ Yes ☒ No
 If Yes, what proportion of the site is comprised of bedrock outcroppings? _____ %

c. Predominant soil type(s) present on project site:

Palmyra	95 %
Fredon	5 %
_____	_____ %

d. What is the average depth to the water table on the project site? Average: _____ unknown feet

e. Drainage status of project site soils: ☒ Well Drained: _____ 100 % of site
☐ Moderately Well Drained: _____ % of site
☐ Poorly Drained: _____ % of site

f. Approximate proportion of proposed action site with slopes: ☐ 0-10%: _____ % of site
☐ 10-15%: _____ % of site
☐ 15% or greater: _____ % of site

g. Are there any unique geologic features on the project site? ☐ Yes ☒ No
 If Yes, describe: _____

h. Surface water features.

i. Does any portion of the project site contain wetlands or other waterbodies (including streams, rivers, ponds or lakes)? ☐ Yes ☒ No

ii. Do any wetlands or other waterbodies adjoin the project site? ☐ Yes ☒ No

If Yes to either i or ii, continue. If No, skip to E.2.i.

iii. Are any of the wetlands or waterbodies within or adjoining the project site regulated by any federal, state or local agency? ☐ Yes ☐ No

iv. For each identified regulated wetland and waterbody on the project site, provide the following information:

• Streams:	Name _____	Classification _____
• Lakes or Ponds:	Name _____	Classification _____
• Wetlands:	Name _____	Approximate Size _____
• Wetland No. (if regulated by DEC)	_____	

v. Are any of the above water bodies listed in the most recent compilation of NYS water quality-impaired waterbodies? ☐ Yes ☐ No

If yes, name of impaired water body/bodies and basis for listing as impaired: _____

i. Is the project site in a designated Floodway? ☐ Yes ☒ No

j. Is the project site in the 100 year Floodplain? ☒ Yes ☐ No

k. Is the project site in the 500 year Floodplain? ☒ Yes ☐ No

l. Is the project site located over, or immediately adjoining, a primary, principal or sole source aquifer? ☐ Yes ☒ No

If Yes:

i. Name of aquifer: _____

<p>m. Identify the predominant wildlife species that occupy or use the project site:</p> <p>Deer _____</p> <p>Rodents _____</p>	
<p>n. Does the project site contain a designated significant natural community? <input type="checkbox"/> Yes <input checked="" type="checkbox"/> No</p> <p>If Yes:</p> <p>i. Describe the habitat/community (composition, function, and basis for designation): _____</p> <p>ii. Source(s) of description or evaluation: _____</p> <p>iii. Extent of community/habitat:</p> <ul style="list-style-type: none"> • Currently: _____ acres • Following completion of project as proposed: _____ acres • Gain or loss (indicate + or -): _____ acres 	
<p>o. Does project site contain any species of plant or animal that is listed by the federal government or NYS as endangered or threatened, or does it contain any areas identified as habitat for an endangered or threatened species? <input type="checkbox"/> Yes <input checked="" type="checkbox"/> No</p>	
<p>p. Does the project site contain any species of plant or animal that is listed by NYS as rare, or as a species of special concern? <input type="checkbox"/> Yes <input checked="" type="checkbox"/> No</p>	
<p>q. Is the project site or adjoining area currently used for hunting, trapping, fishing or shell fishing? <input type="checkbox"/> Yes <input checked="" type="checkbox"/> No</p> <p>If yes, give a brief description of how the proposed action may affect that use: _____</p>	
<p>E.3. Designated Public Resources On or Near Project Site</p>	
<p>a. Is the project site, or any portion of it, located in a designated agricultural district certified pursuant to Agriculture and Markets Law, Article 25-AA, Section 303 and 304? <input type="checkbox"/> Yes <input checked="" type="checkbox"/> No</p> <p>If Yes, provide county plus district name/number: _____</p>	
<p>b. Are agricultural lands consisting of highly productive soils present? <input type="checkbox"/> Yes <input checked="" type="checkbox"/> No</p> <p>i. If Yes: acreage(s) on project site? _____</p> <p>ii. Source(s) of soil rating(s): _____</p>	
<p>c. Does the project site contain all or part of, or is it substantially contiguous to, a registered National Natural Landmark? <input type="checkbox"/> Yes <input checked="" type="checkbox"/> No</p> <p>If Yes:</p> <p>i. Nature of the natural landmark: <input type="checkbox"/> Biological Community <input type="checkbox"/> Geological Feature</p> <p>ii. Provide brief description of landmark, including values behind designation and approximate size/extent: _____</p>	
<p>d. Is the project site located in or does it adjoin a state listed Critical Environmental Area? <input type="checkbox"/> Yes <input checked="" type="checkbox"/> No</p> <p>If Yes:</p> <p>i. CEA name: _____</p> <p>ii. Basis for designation: _____</p> <p>iii. Designating agency and date: _____</p>	

e. Does the project site contain, or is it substantially contiguous to, a building, archaeological site, or district which is listed on, or has been nominated by the NYS Board of Historic Preservation for inclusion on, the State or National Register of Historic Places?	<input type="checkbox"/> Yes <input checked="" type="checkbox"/> No
If Yes:	
i. Nature of historic/archaeological resource: <input type="checkbox"/> Archaeological Site <input type="checkbox"/> Historic Building or District	
ii. Name: _____	
iii. Brief description of attributes on which listing is based: _____	
f. Is the project site, or any portion of it, located in or adjacent to an area designated as sensitive for archaeological sites on the NY State Historic Preservation Office (SHPO) archaeological site inventory?	<input checked="" type="checkbox"/> Yes <input type="checkbox"/> No
g. Have additional archaeological or historic site(s) or resources been identified on the project site?	
<input type="checkbox"/> Yes <input checked="" type="checkbox"/> No	
If Yes:	
i. Describe possible resource(s): _____	
ii. Basis for identification: _____	
h. Is the project site within five miles of any officially designated and publicly accessible federal, state, or local scenic or aesthetic resource?	<input type="checkbox"/> Yes <input checked="" type="checkbox"/> No
If Yes:	
i. Identify resource: _____	
ii. Nature of, or basis for, designation (e.g., established highway overlook, state or local park, state historic trail or scenic byway, etc.): _____	
iii. Distance between project and resource: _____ miles.	
i. Is the project site located within a designated river corridor under the Wild, Scenic and Recreational Rivers Program 6 NYCRR 666?	<input type="checkbox"/> Yes <input checked="" type="checkbox"/> No
If Yes:	
i. Identify the name of the river and its designation: _____	
ii. Is the activity consistent with development restrictions contained in 6NYCRR Part 666?

Re: 311-313 West Main St. (rear building)
Tax Parcel No. 84.006-3-38

Zoning Use District: C-2

The applicant, Tony Mattiaccio (President/CEO of Monroe County Automotive Services Inc., perspective occupant) has filed a Special Use Permit application for the rear building on this parcel, to establish the use of auto detailing, protection and accessories that include washing, waxing and shampoo, undercoating, sprayed on bed-lining, remote car starters, window tinting, vehicle graphics & films, truck accessories such as tube steps and tonneau covers. This use, by definition [BMC 190-3] is classified as a "Public Garage"- A building or part thereof used for the storage, hiring, selling, greasing, washing, servicing, or repair of motor vehicles, operated for gain.

Note: This is a type II action as defined by Environmental Conservation Law and is not subject to review under SEQR 6 NYCRR Part 617.5 (c) (12).

Review and Approval Procedures:

County Planning Board- Pursuant to General Municipal Law 239 m, referral to the County Planning Board is required since the property is within 500 feet of the right of way of State Route 5.

City Planning and Development Committee- Pursuant to section 190-37 of the zoning ordinance, the Planning and Development Committee is authorized to issue Special Use Permits that are in conformance with the provisions of 190-37 E. (1,4,5,10 and 12) and 190-37 K. (1-14).

BMC 190-37 K. (7) The proposed use shall meet the off street parking requirements of similar uses.

BMC 190-39 A. (3)(a)[4] The provisional parking standards for this type of use indicates 1 space for each 200sq.' of sales floor area and 1 space for each 600 sq.' of service area plus 1 space for each company vehicle. The area of the front building (sales floor) is 1,406 sq.' and the rear building (shop) is 4,500 sq.'. Total spaces without company vehicles is 15 spaces.

Zoning Board of Appeals- Pursuant to BMC Sec. 190-49 of the zoning ordinance, the ZBA shall review and act on required variances.

Required variances- Area

1) BMC Sec. 190-37 E. (10) Public garages are not permitted to be located within 500 feet of the public entrance to a church as measured from the lot line to the nearest entrance. This parcel shares lot lines with a church to the west and is within 500 feet of the required set back.

Subject: Ziebart Batavia

Hello Mr Randall,

I am writing to you to ask for permission to open a Ziebart franchise in Batavia. The address is as follows, 309, 311, & 313 west Main Street in Batavia.

The 3 addresses represent a parking lot (309) to be used for parking, a small showroom (311) for displaying our products, and a shop (313) to install our products.

Ziebart is a provider of auto detailing, protection & accessories. Our services will include automotive detailing including washing, waxing & shampoo. We also install undercoating, sprayed on bed lining, remote car starters, window tinting, vehicles graphics & films, along with truck accessories such as tube steps & tonneau covers.

I have been in business in the Rochester area for over 25 years and recently opened a store in Canandaigua, NY and hopefully with your permission Batavia NY as well. I hope to be able to open this location this summer so please let me know anything you need from me to expedite the approval.

Respectfully,

Tony Mattiaccio
President / CEO

LOCATION OF PROPERTY: 313 West Main Street Batavia, NY 14020

DETAILED DESCRIPTION OF REQUEST: Approval to establish an Auto. Accessory Shop/"Public garage" at this property that is located within 500' of a church. The near building is already a private mechanic shop for maintenance of a truck fleet.

Applicant must be present at the hearing date. Failure to do so will result in the application being discarded. It is the responsibility of the applicant to present evidence sufficient to satisfy the Zoning Board of Appeals that the benefit of the applicant does not outweigh the health, safety, morals, aesthetics and general welfare of the community or neighborhood.

TYPE OF APPEAL: ☒ Area Variance
☐ Use Variance
☐ Interpretation
☐ Decision of Planning Committee

FEE: ☐ \$50 (One or Two Family Use)
☒ \$100 (All other Uses)

Provision(s) of the Zoning Ordinance Appealed: Bmc 190-37 E.(10) public garage shall not be located within 500' of a church.

Criteria to Support Area Variance

In making its determination, the zoning Board of Appeals shall take into consideration the benefit to the applicant if the variance is granted, as weighed against the detriment to the health, safety, moral, aesthetics and welfare of the neighborhood or community. The Zoning Board of Appeals shall consider the following test, as per §81-b of the General City Law when making its determination:

Explain how the proposal conforms to EACH of the following requirements:

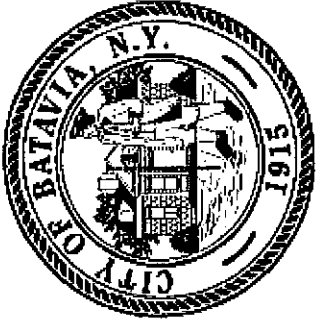

1. **Undesirable Change in neighborhood Character.** The granting of the variance will not produce an undesirable change in the neighborhood or a detriment to nearby properties.
Ziebart will bring positive change to the local community. We will provide our existing customers that commute to Rochester to service their vehicle with a location in their home city of Batavia, NY. We also plan on employing local city residents in various positions (we currently employ over 100 employees in Rochester, NY).
2. **Alternative Cure Sought.** There are no other means feasible for the applicant to pursue that would result in the difficulty being avoided or remedied, other than the granting of the area variance. We have been looking for a location in Batavia, NY for over a year now and have not had any success with finding a suitable location. Our Franchise has strict requirements and this location meets all of their requirements. We are very confident that our business can do very well in this location and help the local market.
3. **Substantiality.** The requested area variance is not substantial. The existing variance is for mechanical work on personal / company vehicles, we need to change this to accomodate mechanical work (detailing, remote car starters, accessories, etc.) on customer vehicles.
4. **Adverse Effect or Impact.** The requested variance will not have an adverse effect or impact on the physical or environmental condition in the neighborhood or community.
They type of work performed in this building will not change, the only thing that will change is who we are doing the work for (customers instead of personal use). With this said, there will not be a negative impact on the physical or environmental condition in the neighborhood or community. Additionally, we are closed on Sundays and will not interfere with the local church.
5. **Not Self-Created.** The alleged difficulty existed at the time of the enactment of the provision or was created by natural force or governmental action, and was not the result of any action by the owner or the predecessors in title. This difficulty existed before we sought the location and was not caused by ourself. We look forward to being a strong successful business in the city of Batavia.

Re: 335 Bank St.
Tax Parcel No. 71.020-1-6.2

Zoning Use District: R-1

The applicant, David Renzo (property manager), has applied for approval to place a 4' x 6' unlit freestanding sign in the south yard of this multiple dwelling apartment complex located in the R-1 residential use district. This sign was previously approved by the PDC on September 18, 2012, with no conditions, but was never installed. The Special Sign Permit expired on 9/19/13.

Note: This is a type II action as defined by Environmental Conservation Law and is not subject to review under SEQR 6 NYCRR Part 617.5 (c) (1).

Review and Approval Procedures:

County Planning Board- Pursuant to General Municipal Law 239 m, referral to the County Planning Board is required since the property is within 500 feet of the boundary of the city.

City Planning and Development Committee- Pursuant to section 190-43 R, the Planning and Development Committee shall review and approve or deny Special Sign Permits.

BMC 190-43 F and Schedule A Free standing signs are not permitted in the R-1 use district.

Re: 176 Washington Ave.
Tax Parcel No. 84.011-1-7

Zoning Use District: P-3

The applicant, Andrew Hilburger, MD (occupant), has applied for approval to place a 3.5' x 1.7 sq.' free standing sign in the north yard of this medical office building property located within the Business Improvement District.

Note: This is a type II action as defined by Environmental Conservation Law and is not subject to review under SEQR 6 NYCRR Part 617.5 (c) (1).

Review and Approval Procedures:

City Planning and Development Committee- Pursuant to section 190-14 D (2) (b), the Planning and Development Committee shall review and approve applications for sign permits on properties located within the B.I.D.
