City of Batavia

Memorandum

To: Jason Molino, City Manager

From: Matt Worth, Director of Public Works 

Date: May 9, 2017

Subject: Rotary Park Sign

The Rotary Club of Batavia has sponsored the City park area between the current Key Bank, and YNGODESS shop which is named "Rotary Park". The Rotarians annually do a park clean-up, mulching, and plantings of the area as part of their support of the park.

In an effort to raise awareness of the Rotarians, as well as identify the park by name, The Rotary Club of Batavia is requesting permission to install a single post mounted wood carved sign (18" x 24") approximately 5ft high. The sign would be installed behind the sidewalk, facing Main St. adjacent to the Key Bank building.

Sign Proof

ROTARY PARK

The Rotary Club of Batavia

City of Batavia

Memorandum

To: Jason Molino, City Manager

From: Matt Worth, Director of Public Works 

Date: May 5, 2017

Subject: Historic District Signs

The Historic Preservation Commission has forwarded an effort to install signs that designate two specific Historic Districts. This activity would appear to be consistent with the purpose identified for the commission as described in Sections 100-1, 100-2 D (6), 100-2 D (7), and 100-2 D (8) of the City of Batavia Municipal Code.

The sign installations would be located at #20 and #41 Ross St and #5 and #13 James St. Upon a site visit with the Superintendent of Maintenance, with a member of the HPC, it appears that there is sufficient room to install these signs within the parkway area between the curb and sidewalk.

Letters have been sent to the owners of these properties to receive comment on the proposed installation. I will report on any comments once received.

Memo

To: Batavia City Council
From: Historic Preservation Commission
Cc: Jason Molino, City Manager
Date: April 13, 2017
Re: Historic District Signs

To raise community awareness of the Ross Street and James Street Historic Districts, the City of Batavia Historic Preservation Commission has voted to place signage in the parkway at both ends of the districts. The Ross Street District, designated in 1996, runs from 20 to 41 Ross Street and the James Street District, designated in 1999, runs from 5 to 13 James Street.

Each carved, high-density urethane sign will be a 1x2 foot oval, attached with stationary brackets to an 8 foot steel post with scroll bracket. They will be painted with black gloss enamel and gold leaf lettering and will read:

City of Batavia (in top curve)

Ross Street /James Street (2 of each)

Historic District

Historic Preservation Commission (in bottom curve).

Please see attached drawing.

This project will not incur any additional cost to the city as the funds are in the budget line for the commission.

City of Batavia

Memorandum

To: Jason Molino, City Manager

From: Matt Worth, Director of Public Works 

Date: May 11, 2017

Subject: Engineering Services Request for Qualifications (RFQ)

The procurement of engineering services has offered several challenges over the past few years. While it is considered a professional service not subject to many of the procurement steps, it still requires a level of investigation and due diligence to ensure the City is receiving the best service and value. It is impractical to advertise for proposals for each and every project, especially with the number of engineering firms located between Buffalo and Rochester. It is also advantageous to have the same firm that has completed preliminary work, ultimately do final design and construction services for continuity of the project.

An engineering services RFQ was prepared and advertised soliciting firms to submit a ten page document outlining their qualifications, expertise, and availability to provide a broad range of services. The City received proposals from nine firms which are currently being reviewed and evaluated by senior public works staff. This will provide a qualified "short-list" of firms for the City to utilize. This process will give the City the flexibility to select the best firm for the project, while still offering the advantage of having more than one firm available and competing for the work.

This process will ultimately allow for a more streamline procurement of services, while meeting the requirements of the City Purchasing Policy. Once a project is identified, firm(s) from the pre-approved short-list will submit specific proposals for selection and will enter into a stand-alone contract with the City for that project.

RFQ Document
Draft Resolution

CITY OF BATAVIA
DEPARTMENT OF PUBLIC WORKS
ONE BATAVIA CITY CENTRE, BATAVIA, NY 14020

Request for Qualifications
General Engineering Services for City of Batavia

The City of Batavia is seeking Qualifications Statements for General Engineering services. This RFQ is for consulting services on projects within the City of Batavia. Submit four (4) bound copies of your qualifications statements to Matt Worth, Director of Public Works, One Batavia City Centre, Batavia, NY 14020 on or before 1 pm on May 10, 2017.

Reference your submittals as “Qualifications for General Engineering Service for the City of Batavia”.

The Statements of Qualifications in its entirety shall not exceed five (5) pages; double sided; size 12 font. The proposal shall include a clear table of contents addressing all the requirements of the RFQ. These requirements will be strictly enforced.

The City of Batavia reserves the right to reject any or all Statements of Qualifications. This invitation does not commit the City of Batavia to accept any Statements of Qualifications and does not obligate the City of Batavia for any cost associated with the preparation of the same.

If you have any questions regarding the RFQ, please contact Matt Worth, Director of Public Works at 585-345-6325.

Purpose

It is the intention of this RFQ to provide the City with a “short list” of pre-qualified firms to be assigned various engineering tasks as need arises.

Evaluation

The City of Batavia will evaluate all the **Statements of Qualifications** to select four (4) consultant teams. The qualifications will be comparatively evaluated based upon the requirements stated in the body of this RFQ. After reviewing the Statement of Qualifications the consultants will be ranked on their

- Appropriate Job Title Billing Rates – 10%
- Familiarity of the City of Batavia – 10%
- History of similar relationships with communities like Batavia – 20%
- Staff/Firm expertise – 30%
- Ability to provide a wide range of services consistent with the list under the “Professional Service” Heading – 30%

Agreements and Project Assignments

The selected consultant teams will be invited to enter into a General Engineering services agreement with the City of Batavia. The General Engineering Service agreement will be valid for a period of three (3) years from the date of legislative approval. The City reserves the right to renew the agreements for an additional three (3) years.

It should be noted that the four (4) consultant teams will be selected based on the evaluation criteria. The scope of services, fee proposals, and negotiations will occur as the specific projects are assigned to a consultant. Once a scope of services and fee is successfully negotiated, the City of Batavia shall issue a purchase order authorizing the consultant to proceed.

Initially, the agreement will be non-project specific. No guarantee of work assignments or projects can be made, however, the assignment of projects will be based on the City's needs.

Professional Service

The following is a general framework of services that could be provided by the Engineering Consultant. Services should not be limited by this framework. Instead, the scope of services will be tailored to each individual project, its budget, schedule, and nature of work. Consultant teams submitting responses to this RFQ shall consider the following as potential projects.

- Assessment of Existing Conditions and Infrastructure
- Assessment of space and functional program information
- Assessment of a Site's ability to accommodate the proposed project
- Project initiation reports (feasibility analysis, master planning, alternative conceptual design options with order of magnitude cost implication, consideration to future expansion, etc.)
- Schematic design
- Design Development (Draft Design Reports, Preparation of Final Design Reports)
- Construction documents (Final Plans and Specifications, Executions of Contract Documents, Project Schedules, Payment Certifications, etc.)
- Assist in the review and award recommendation of contract bids
- As-Built drawings
- Construction Inspection Services/ Construction Administration
- Pre- Bid Meetings and Progress Meetings
- Geotechnical Evaluation
- Energy
- Environmental Services – Testing and Evaluation
- Structural /Civil Engineering
- Structural testing per chapter 17 of the Building Code of New York State
- Testing of Building materials (concrete, bolts, weldments, soils, masonry, etc.)
- Electrical/SCADA Systems – Evaluating, design, and inspection

- Design and Manage Capital Improvement Projects (Water, Storm, Sanitary, Roads)

Statement of Qualifications Content

- A statement is required of each firm submitting qualifications that best describes the firm's understanding of this undertaking, their unique qualifications, their knowledge of government projects, and flexibility in implementing projects of varied scope and nature.
- A list of communities and dates where you have provided similar services
- Provide the following information:
 - A statement clearly indicating that your firm has the capacity to enter into the General Engineering Agreement.
 - Indicate the primary location of the offices where the work would be performed.
 - An organizational chart indicating the staff that may be assigned to the contract and their responsibilities.
 - Demonstrate the ability to perform small projects in a timely manner.
 - A list of job titles and their associated hourly billing rates with a not-to-exceed hourly rate and an overhead multiplier for 2017-2020.
 - Include a complete statement of non-collusion

General Information

To be selected, the Consultant needs to be a licensed and authorized by the State of New York to practice Engineering.

There are no DBE/WBE/MBE requirements for these projects, although participation is encouraged.

The chosen consultants shall not be permitted to subcontract any or all of the work performed without first obtaining written permission from the City.

These engineering services will not include any projects related to the Federal/State Aid "Pass Thru" Program or any other projects that are not solely funded by the City of Batavia.

The City of Batavia reserves the right to reject any or all proposals.

City of Batavia

Memorandum

To: Jason Molino, City Manager

From: Matt Worth, Director of Public Works 

Date: May 10, 2017

Subject: Surplus of 1995 Front End Loader

The City is preparing to purchase a new front end loader as is budgeted for this year. The new loader will replace a 1995 Caterpillar unit (City ID #245) which requires regular maintenance to keep in service. After extensive research, and evaluation of possible replacement units, the City has secured a trade-in value of this unit of \$27,500 as part of the transaction for the new purchase.

It is requested that this unit be declared surplus, and authorized to be traded-in as part of the purchase of the new unit.

Memo from Ray Tourt
Draft Resolution

City of Batavia

Memorandum

To: Matt Worth – Director of Public Works

From: Ray Tourt – Superintendent of Maintenance

Date: May 2, 2017

Subject: Surplus equipment disposal

We are requesting permission to dispose/surplus the following equipment by trade as identified.

Unit 245 – 1995 Caterpillar Wheel loader Serial # 8TK3092 with accessories. The unit has 8056 hrs, was repainted in 2007, rebuilt transmission in 2009. Unit is 22 years old and has become costly to keep in service. The cab is rusting through as well as body panels, linkage & pivot points have excessive slop from wear and the unit has begun developing engine oil leaks and hydraulic leaks in major components. This has been a good machine but it is time to replace with a reliable, modern machine to perform critical operations.

This equipment is being replaced as part of the approved fiscal year budget 2017/2018 and have been previously identified within the City of Batavia's Equipment Replacement Plan.

#2017

**A RESOLUTION TO DECLARE DEPARTMENT OF PUBLIC WORKS VEHICLES
AND EQUIPMENT SURPLUS FOR THE PURPOSE OF SALVAGE AND DISPOSAL**

Motion of Councilperson

WHEREAS, the Department of Public Works have declared the vehicles and equipment listed below surplus and the cost of needed repairs exceeding the vehicle's value; and

WHEREAS, the City of Batavia requires a surplus declaration of property to be made prior to disposal or sale of vehicles and equipment; and

WHEREAS, any revenue received from disposal is to be put into the respective department's equipment reserve fund, fund revenue or be used for trade in value for approved equipment replacement; and

NOW, THEREFORE, BE IT RESOLVED, by the City Council of the City of Batavia that the City Manager is authorized to declare the following as surplus for the purpose of salvage and disposal; and

BE IT FURTHER RESOLVED, that the City Manager be and hereby is authorized to make the necessary budget transfers in the 2017-2018 budget:

- 1995 Caterpillar Wheel loader, SN – 8TK3092

City of Batavia

Memorandum

To: Jason Molino, City Manager

From: Matt Worth, Director of Public Works

Date: May 2, 2017

Subject: Central Pump Station 200HP Pump

The Central Pump Station (CPS) Facility receives all wastewater within the City and Town of Batavia sanitary sewer systems. The waste stream is then pumped to the Wastewater Treatment Facility for treatment and discharge into the Tonawanda Creek.

The CPS has three 75HP pumps and three 200HP pumps, which can pump a maximum of 24MGD with 5 of the 6 pumps running. This facility went into operation in 1990 and has been running continuously 24hrs/day ever since. Two of the original 75HP pumps have been replaced over the years, but all three of the 200HP pumps are original, with bearings and seals having been replaced at times.

Recently, one of the 200HP pumps experienced a bearing failure. Upon inspection, it was determined that in addition to replacing the bearings and seals additional wear of the outer housing, and some suspect areas in the inner electrical components could result in a premature failure after installing new bearings and seals. In light of this inspection, I do not believe it is prudent to invest \$26,099.00 for a repair of a 27 year old pump as it is 1/3 of the cost towards a brand new unit.

It is my recommendation that funds in the amount of \$78,000 are appropriated from the sewer facility reserve for the purchase of a new 200HP Flygt Pump for the Central Pump Station. This unit is the exact replacement model for the unit that has failed.

**A RESOLUTION TO TRANSFER RESERVES AND AMEND THE BUDGET TO
PURCHASE A PUMP FOR CENTRAL PUMP STATION**

Motion of Councilperson

WHEREAS, the City of Batavia has an established Sewer Facility Reserve Fund; and

WHEREAS, the City of Batavia has a 27 year old pump that has malfunctioned at the Central Pump Station; and

WHEREAS, the Department of Public Works has conducted an assessment to repair the 27 year old pump in the amount of \$26,099.00 or replace the pump in the amount of \$78,0000.00; and

WHEREAS, it is recommended by the Director of Public Works to purchase a new pump for \$78,000.00 for the Department of Public Works to be efficient and effective in the future; and

WHEREAS, to properly account for the expenditure of this money, budget amendments need to be made.

NOW THEREFORE, BE IT RESOLVED, by the City Council of the City of Batavia that the City Manager be and hereby is authorized to use \$78,000 of Sewer Facility Reserve Fund monies to purchase a 200HP Flygt Pump for the Central Pump Station and to make the following budget amendments to the 2017-2018 budget to cover said service:

Increasing revenue accounts:

003.0003.0511.2130 Appropriated reserves (Sewer Facility Reserve) \$78,000

Increase expenditure accounts:

003.8130.0200.2130 Equipment Sewer Facility (Reserves) \$78,000

**Seconded by Councilperson
and on roll call**

City of Batavia

To: Honorable City Council

From: Jason Molino, City Manager

Date: May 17, 2017

Subject: Proposed Extension of Current Sales Tax and Water Agreements

Background: In 1999 the City and County entered into the Sales Tax Allocation Agreement formalizing the percentage share of County sales tax to be distributed between the City, County, Towns and Villages. This agreement came in tandem with the creation of the Operation and Maintenance Agreement for the Water Treatment Plant and the Water Treatment Facilities Agreement, as all three agreements addressed the Genesee County Public Water Supply Program, economic development and water demands in the County.

All three agreements were renewed and extended in 2007 for an additional 10 years. As outlined in the Sales Tax Allocation Agreements, a Sales Tax Committee including selected members from City Council, the County Legislature and representatives from the surrounding Towns and Villages were tasked to make recommendations to both governing bodies regarding all three agreements.

It is imperative to note that, while not mentioned in the Sales Tax Allocation Agreement, the two water agreements have bearing on the outcome of the sales tax agreement and that any recommendation regarding any one agreement would be intrinsically impacted by the other two. As such, in November 2016, the former Sales Tax Committee transitioned into the Sales Tax and Water Agreements Oversight Committee whose purpose is to evaluate recommendations made by a Working Group comprised of the City and Assistant City Manager, the Director of the City's Department of Public Works, the County and Assistant County Manager, the County Highway Superintendent and partnering engineering firms GHD and Clark Patterson Lee. The Working Group's task is to make recommendations to the Oversight Committee on how to approach the next steps with the all three agreements.

City of Batavia

Since November 2016, the Working Group has met several times and accomplished the following tasks in pursuit of its goal:

- Reassessed the water supply threat
- Completed water plant scoring and capital investment recommendations
- Completed countywide water system master planning and preliminary engineering
- Reworked the County capital plan to reflect 20 years with annual projections
- Researched and outlined possible revenue source theories for funding sustainable water
- Explored the process and timeline of creating a countywide water district
- Looked at long-term water revenue models for both the County and the City
- Considered several sales tax distribution models
- Combined hydraulic models with master capital plan
- Researched and considered water capital funding options

Over the course of its work, the Working Group has updated the Oversight Committee on four occasions, keeping lawmakers apprised of progress and answering questions regarding the tasks. Among the findings presented to the Oversight Committee on May 2, 2017 were the following:

- The original concept for water included a countywide water district overlay; however legal research uncovered the need to obtain approvals from each town to allow the countywide water district to be formed.
- Amending existing water supply agreements with towns is more expedient than forming a countywide water district that accomplished the same.
- The timeline for water is extremely complicated with many critical elements, i.e., there are 21 water-related agreements that need to be opened and re-negotiated in order to move forward. These 21 agreements involve all the Towns and Villages in the County, the Monroe County Water Authority, the County and the City of Batavia.
- It is the consensus of the Working Group that due to the timeline of critical elements and many approvals needed, a water agreement cannot be reached under the current timeline. Given the findings listed above, the Working Group also presented the Oversight Committee with the following recommendations at the May 2, 2017 meeting:

This institution is an equal opportunity provider and employer. www.batavianewyork.com**

- An extension of both the water and sales tax agreements for ten months, until December 31, 2018. Completing the sales tax agreement without completing the new water agreements is not in the best interest of any of the parties involved.
- A new proposed timeline (see attached) that reflects the working group's recommendations as well as milestones needed to ensure water needs of the entire County in the long-term.
- The Working Group and the Oversight Committee remain in place as is and develop a schedule for regular updates to the Oversight Committee.

At the May 2 meeting, the Oversight Committee agreed to all three recommendations and next steps to make the following recommendations to its collective governing bodies.

Recommendation: It is recommended that the City Council approve three resolutions: (1) extending the current sales tax allocation-agreement with the County of Genesee; and (2) approving a renewal and extension of lease with the County of Genesee for water treatment facilities; and (3) approving the extension of an operation and maintenance agreement for the water treatment facilities.

Supporting Documents:

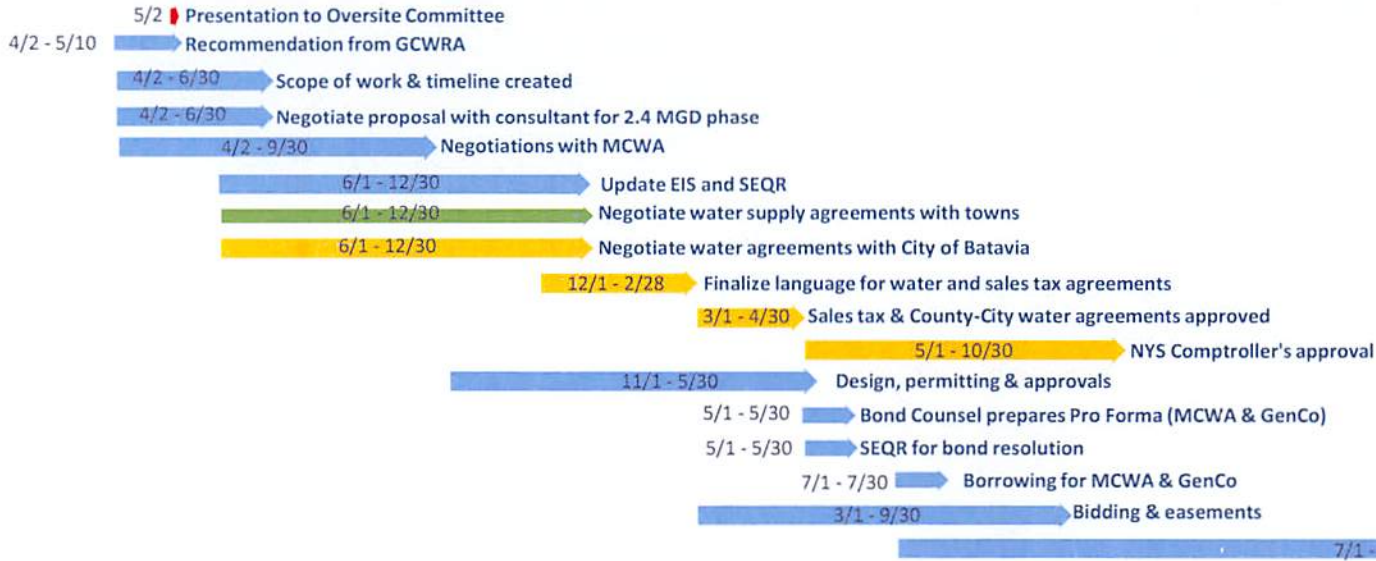

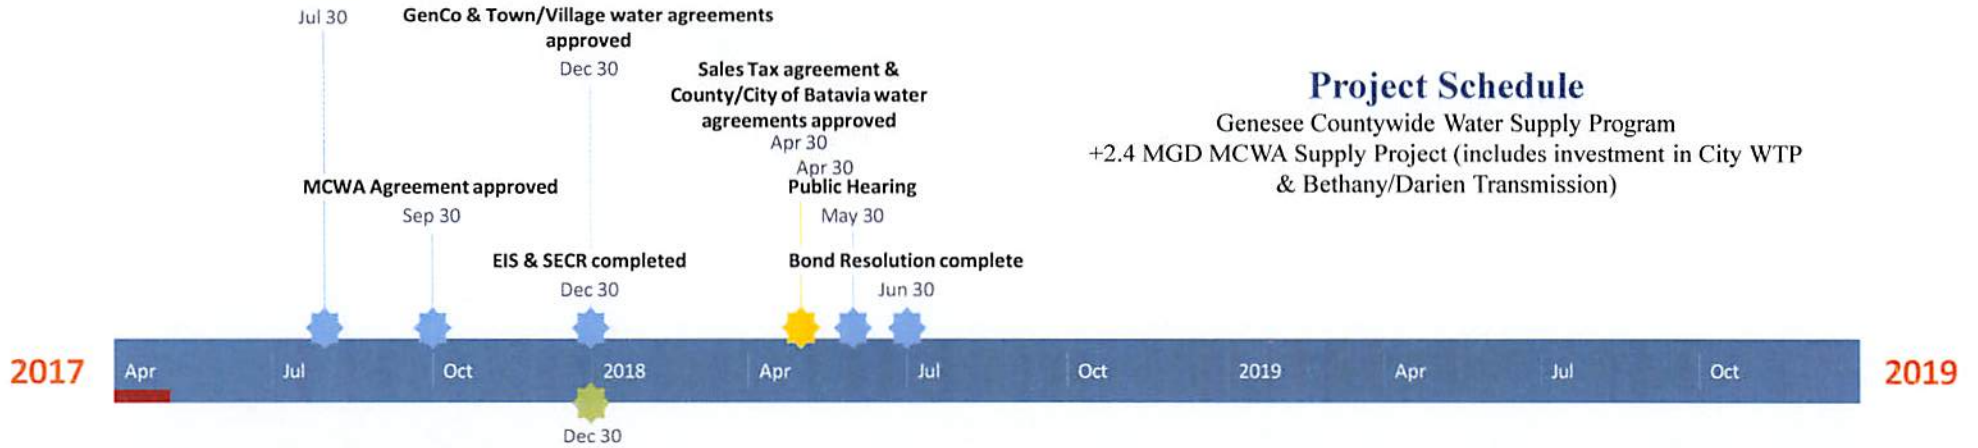

1. A resolution authorizing the extension of the current sales tax agreement with the County of Genesee
2. A resolution approving the renewal and extension of lease with the County of Genesee for water treatment facilities.
3. A resolution approving the extension of an operation and maintenance agreement for the water treatment facilities.
4. Proposed timeline for Working Group.

**A RESOLUTION EXTENDING THE CURRENT SALES TAX
ALLOCATION-AGREEMENT WITH THE COUNTY OF GENESEE**

Motion of Councilperson

WHEREAS, the City Council by resolution adopted December 31, 2007 authorized the President of City Council to execute the Sales Tax Agreement between the City of Batavia and County of Genesee, and

WHEREAS, Paragraph Five of the agreement provides that the current term is ten (10) years, running from March 1, 2008 through February 28, 2018; and

WHEREAS, Paragraph Six of such agreement provides for formation of a Committee with members of the County Legislature, City Council and elected officials of Villages and Towns in Genesee County to recommend to the Legislature and City Council whether to amend, modify or extend the agreement for an additional term; and; and

WHEREAS, this Committee was formed and has convened as set forth in the Sixth Paragraph of the Agreement, in order to make a recommendation to the Legislature and the City Council as to whether or not to amend, modify or extend this Agreement for an additional term, and

WHEREAS, this Committee has met numerous times, and has in fact recommended to the Legislature and the City Council that the Agreement be extended for a period of 10 months to allow the Committee to continue to meet in order to conduct additional fact finding, negotiations and deliberations, and

WHEREAS, Paragraph Seven of such agreement states that within the time frames set forth herein and the statutory notice requirements in Articles 28 and 29 of the Tax Law, this Agreement may be modified, terminated or otherwise amended in the event that both the City Council and the County Legislature, by formal resolution, mutually agree to do so. Neither party may do so unilaterally. Any such modification, termination or amendment must be reduced to writing, executed by such officers of each body as they shall respectively designate and approved by the Office of the State Comptroller as set forth above.

NOW, THEREFORE, BE IT RESOLVED, that the City Council does hereby elect to extend the Sales Tax Agreement between the City of Batavia and County of Genesee dated December 31, 2007 effective February 28, 2008 for a period of eight months, from March 1, 2018 and through December 31, 2018, and

NOW, THEREFORE, BE IT FURTHER RESOLVED, that the City Council President is authorized to execute an amended Sales Tax Allocation Agreement addressing said extension through December 31, 2018.

**Seconded by Councilperson
and on roll call**

**SALES TAX ALLOCATION AMENDED AGREEMENT
BETWEEN THE COUNTY OF GENESEE AND THE CITY OF BATAVIA**

THIS AGREEMENT made the _____ day _____, 2017, by and between the County of Genesee, a municipal corporation of the State of New York, with offices located at the Old Courthouse, 7 Main Street, Batavia, New York, 14020 (hereinafter "County"), and the City of Batavia, a municipal corporation of the State of New York with offices located at One Batavia City Centre, Batavia, New York 14020 (hereinafter "City").

WITNESSETH:

WHEREAS, the Parties previously entered into an "Agreement Sales Tax Allocation County of Genesee and City of Batavia", dated December 31, 2007, (hereinafter "Agreement") and

WHEREAS, pursuant to the Fifth Paragraph the current term of the Agreement is for ten years, from March 1, 2008 through February 28, 2018, and

WHEREAS, the Parties desire and intend to extend the prior Agreement for an additional 10 months.

NOW, THEREFORE, in consideration of the mutual covenants and agreements contained herein, it is agreed as follows:

1. The Fifth Paragraph of the previous agreement shall be revised to extend the term for an additional period of 10 months, to end on December 31, 2018, instead of the date of February 28, 2018.
2. The parties acknowledge that the prior notice by the County to the City to terminate the Agreement pursuant to the second paragraph of the Sixth Paragraph shall remain in full force and effect; except that the termination date is extended until December 31, 2018.
3. Any and all terms and conditions set forth in the prior Agreement, which are not specifically revised or amended herein, shall remain in full force and effect.

IN WITNESS WHEREOF, the parties have signed this Amended Agreement the day and year first written above.

**A RESOLUTION APPROVING A RENEWAL AND EXTENSION OF
LEASE WITH THE COUNTY OF GENESEE FOR WATER TREATMENT
FACILITIES**

Motion of Councilperson

WHEREAS, the City of Batavia and the County of Genesee entered into a lease agreement dated November 20, 2000 which was extended and renewed on December 31, 2007 for the lease by the County of the City's water treatment plant, water supply facilities and water transmission system (the "Facilities"); and

WHEREAS, the current term of the lease agreement is through February 28, 2018; and

WHEREAS, the City and County have agreed to extend the Sales Tax Allocation Agreement and Water Supply Operation and Maintenance agreement through December 31, 2018; and

WHEREAS, the lease agreement needs to run for the same term as the Sales Tax Agreement and Operation and Maintenance agreement; and

WHEREAS, the parties now wish to extend the lease agreement through December 31, 2018; and

NOW, THEREFORE, BE IT RESOLVED, that the City Council of the City of Batavia does hereby authorize the President of City Council to execute a renewal and extension of the lease agreement for the Facilities for a term beginning March 1, 2018 through December 31, 2018.

**Seconded by Councilperson
And on roll call**

**SECOND AMENDMENT
TO CITY OF BATAVIA AND COUNTY OF GENESEE
LEASE AGREEMENT FOR WATER SUPPLY AND TREATMENT FACILITIES
DATED DECEMBER 31, 2007**

THIS AGREEMENT, made the _____ day of May, 2017, by and between the City of Batavia, a municipal corporation of the State of New York, with offices located at City Hall, One Batavia City Centre, Batavia, New York, hereinafter referred to as the “City,” and the County of Genesee with offices at Old County Courthouse, 7 Main Street, Batavia, New York, hereinafter referred to as the “County.”

WITNESSETH:

WHEREAS, the City and the County have entered into a lease agreement, dated January 20, 2000 whereby the City leased its water facilities to the County;

WHEREAS, the City and the County subsequently entered into a Water Supply Operation & Maintenance Agreement, dated April 10, 2001 whereby the operational procedures for the water facilities were addressed for a period from March 1, 2000 to February 28, 2010; and

WHEREAS, on December 31, 2007, the City and County entered an extension and renewal of the lease agreement; and

WHEREAS, the current term of the lease agreement is through February 28, 2018; and

WHEREAS, the City and County have continued to review the lease and the terms of the related Operation and Maintenance Agreement executed by and between the City and the County for the operation of the water facilities; and

WHEREAS, the City and County intend the terms of the lease and Operation and Maintenance Agreement to be commensurate with the term of a Sales Tax Allocation Agreement between the parties; and

WHEREAS, the City and County have agreed to extend the Sales Tax Agreement through December 31, 2018; and

WHEREAS, the City and County have mutually determined that it is appropriate to enter a new lease agreement and extend the Operation and Maintenance Agreement for a period of ten (10) months through December 31, 2018; and

NOW, THEREFORE, in consideration of the mutual covenants and agreements contained herein and in the Operation and Maintenance Agreement, and the December 31, 2007 agreement executed by the City and County respectively, it is agreed as follows:

Paragraph 1 of the lease agreement between the City and County, dated December 31, 2007 is hereby amended to add the following:

The term of the lease of the "Facilities" shall be extended for a period of an additional ten (10) months commencing February 28, 2018 through December 31, 2018.

The December 31, 2007 Agreement is in all other respects re-affirmed and re-stated.

IN WITNESS WHEREOF, the parties have executed this Agreement by their duly authorized officers the day and year first above-written.

**A RESOLUTION APPROVING THE EXTENSION OF AN
OPERATION AND MAINTENANCE AGREEMENT FOR THE
WATER TREATMENT PLANT**

Motion of Councilperson

WHEREAS, the City of Batavia and the County of Genesee have previously entered into a Lease Agreement for the lease by the county of the City's water treatment plant, water supply facilities and water transmission system, and

WHEREAS, the parties agreed to extend and renew the original Lease Agreement and enter a new Lease Agreement through February 28, 2018, and

WHEREAS, as a portion of said Lease Agreement, the parties entered into a separate Operation and Maintenance Agreement which was extended through February 28, 2018 pursuant to which the City operates the water treatment plant on behalf of the County, and

WHEREAS, the parties wish to extend said Operation and Maintenance Agreement.

NOW, THEREFORE, BE IT RESOLVED, that the City Council of the City of Batavia does hereby authorize the President of City Council to execute an extension of the Operation and Maintenance Agreement with the County of Genesee dated April 10, 2001 which was extended and modified on December 31, 2007 through December 31, 2018 under the same terms and conditions.

**Seconded by Councilperson
