

City of Batavia

Memorandum

To: Plumbing Board

From: Meg

Date: 9/1/23

Subject: Michael Diebold's application

Michael Diebold's application has been included in the packet, however, despite several reminders, he has not paid the fee yet.

I included the application so that you would have a chance to review it before the meeting. However, should he fail to pay the fee prior to the meeting, I will remove his application from the agenda.

Regards,

Meg

PLUMBING BOARD
Wednesday, September 20, 2023

8:00 a.m.

One Batavia City Centre
DPW Conference Room

AGENDA

- I. Call to Order
- II. Roll Call
- III. Approval of Minutes 6/21/23
- IV. New Business:
 Plumbing Candidates
 - Thomas Fendrick
 - Michael Diebold (depends on payment of application fee)
- V. Setting of Next Meeting: 12/13/23 or 12/20/23?
- VI. Adjournment

CITY OF BATAVIA PLUMBING BOARD

Minutes

June 21, 2023, 8:00 a.m.

**One Batavia City Centre, Batavia, NY
DPW Conference Room**

Members present: *Doug Diegelman, Brett Frank, Bill Hayes, Tom Phelps, Ryan Toal*

Members absent: none

Others present: Zach Alwardt, Doug Randall

I. Call to Order

Chair Doug Diegelman called the meeting to order at 8:04 a.m.

II. Roll Call

Roll call of the members was conducted. Five members were present providing a quorum to conduct the meeting.

III. Approval of Minutes from Previous Meeting

MOTION: Mr. Hayes moved to approve the minutes as written; Mr. Phelps seconded the motion. All voted in favor.

RESULT: Approval of March 15, 2023 meeting minutes.

IV. New Business

A. Plumbing Applicants: Kevin Fawcett, Martin Brown, Todd Russo

The applicants had shown proof of licenses from other municipalities, and the board agreed that all were qualified to take the City of Batavia plumbing exam.

MOTION: Mr. Phelps moved to approve the three candidates to take the City of Batavia licensed plumber exam; Mr. Hayes seconded the motion. All voted in favor.

RESULT: Applicants approved to take the plumbing exam.

B. Boiler Installation

Mr. Randall noted that the installation of boilers is likely to fall within the scope of a mechanical contractor; however, the boiler is connected to the water system. He asked the board to consider the question of whether or not a licensed plumber should be required to make the connection to the water system.

The board discussed various scenarios, such as, a repair to a boiler or replacement in kind, a new boiler with a new connection, and a boiler that needs a backflow prevention device installed.

The board also discussed what mechanism would hold a mechanical contractor accountable for using a plumber and what would be the plumber's incentive to inspect a connection he had not installed.

It was agreed that they would leave the system as it is and not make any changes presently.

C. Sleeving Lines

Mr. Alwardt related information to the board, which he had recently learned in his capacity as Certified Floodplain Manager-in-training. He told them that any sewer replacement in the SFHA (Special Flood Hazard Area) requires a backwater valve.

D. Street Opening Permits

Mr. Alwardt alerted the board to the issues the office has been experiencing with contractors and street opening permits. Some of the excavation performed in the City ROW has not been completed properly and sidewalks are left unrepaired or damaged. The City will instituting a more stringent inspection process so that if the infrastructure is not repaired after a specified period, the City will be able to collect on the bond.

Mr. Alwardt said that the board does not need to get involved, but he recommended that the plumbers be aware that there have been some problems and to follow up with jobs where excavation has been performed.

E. Photo IDs

Mr. Diegelman suggested the board consider adding photo IDs to the plumbing licenses. Mr. Phelps said that he would ask the City Attorney about the legal issues involved.

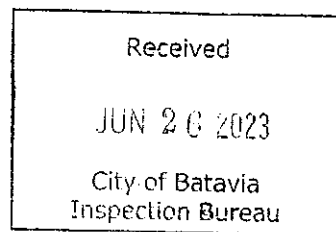

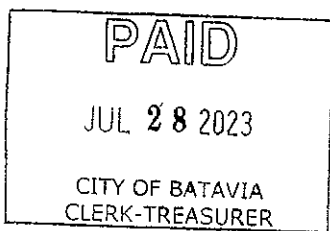

V. Adjournment

Mr. Phelps moved to adjourn; Mr. Hayes seconded the motion. All voted in favor. Meeting adjourned at 8:51 a.m.

Meg Chilano

Qualifications:

- #1 - Must be Master Plumber holding Certificate of Competency which was obtained by successfully passing a written exam given by another Plumbing Board from another city in New York State; or,
- #2 - Four (4) years working for a Master Plumber holding a Certificate of Competency which was obtained by successfully passing a written exam given by a Plumbing Board; or,
- #3 - Combination of working for two (2) years for a Master Plumber holding a Certificate of Competency which was obtained by successfully passing a written exam given by a Plumbing Board and successful completion of two (2) semesters of an approved trade school; or,
- #4 - The Board shall waive the requirements prescribed in the foregoing paragraphs provided that the applicants training and experience is substantially equivalent to such qualifications.

Substantial equivalence shall be:

- (a) A person not working for a Master Plumber but has been working in the plumbing trade with hands on experience for eight (8) years; or
- (b) A combination of all working experience and education, if any, shall be considered by the Board to equal to a total of eight (8) years experience.
- (c) For paragraphs 2 & 3 and subparagraphs (a) and (b) above, one (1) year's experience shall be equivalent to 1,000 hours of working.

It shall be the applicant's obligation to provide written documentation of proof of experience and education.

The Board shall refuse to approve an application from any person who at the time of the same, may be unlawfully engaged in the business as a Master or Employing Plumber or who has been convicted of such unlawful engagement within a two (2) year period prior to such application.
