CITY OF BATAVIA PLUMBING BOARD

Minutes

March 20, 2019, 8:00 a.m.

**Public Works Conference Room
One Batavia City Centre, Batavia, NY**

Members present: *Doug Diegelman, Jim Ficarella, Bill Hayes (arrived at 8:09), Al Rosemark, Matt Worth*

Members absent: none

I. Call to Order

Chairman Rosemark called the meeting to order at 8:04 a.m.

II. Roll Call

Roll call of the members was conducted. Four members were present providing a quorum to conduct the meeting.

III. Approval of Minutes from Previous Meeting

MOTION: Mr. Worth moved to approve the minutes as written; the motion was seconded by Mr. Diegelman. All voted in favor.

RESULT: Approval of December 19, 2018 meeting minutes.

IV. Old Business: Discussion of Plumbing Exam

Mr. Worth reported that he contacted Pearson Vue, the administrator of the plumbing exam. He spoke with them regarding Ian Diegelman's complaint about the delayed computer response while taking his exam. Pearson told Mr. Worth that if a tester has a problem with the exam, it should be reported immediately because it is difficult to deal with a problem at a later date.

Mr. Worth said that he also contacted two other companies who use Pearson Vue. One company, used by the City to conduct water classes and water licensing, explained that certain conditions must be met by the testing centers in order to be considered for use by Pearson, and that the test centers are well maintained. This company has not had any trouble with using Pearson Vue.

The other company Mr. Worth spoke with uses Pearson for testing its technicians. This company agreed with the response of the first company.

Mr. Worth noted that while both reviews were positive, problems may still occur, and in the future, if plumbing candidates experience technical difficulties, they should report to the testing center right away.

V. New Business: Report on Code Classes

Mr. Worth reported that Code Enforcement Officers, Ron Panek and Doug Randall, attended the annual code classes for recertification. According to Mr. Panek, the State is considering returning to the use of its own code. Instead of using the International Council of Codes, the State would have its own code. Mr. Worth will keep the board posted on the situation.

VI. Setting of Next Meeting: June 19, 2019

VII. Adjournment

Mr. Ficarella moved to adjourn; Mr. Hayes seconded the motion. All voted in favor. Meeting adjourned at 8:12 a.m.
